### **Journal of Business Ethics Education - ResearchGate**

Journal of Business Ethics Education The business community profoundly influences

lives and events around the world. Business education must supply the conceptual tools managers need to make choices that are ethically responsible and culturally sensitive as well as technically sound. The Journal of Business Ethics Education supports educators that provide the conceptual tools managers need to make choices that are both ethically responsible and culturally sensitive, as well as technically sound. It provides timely educational materials and sponsors an international forum for the exchange of ideas and research.

The Journal of Business Ethics publishes only original articles from a wide variety of methodological and disciplinary perspectives concerning ethical issues related to business that bring something new or unique to the discourse in their field. From its inception the Journal has aimed to improve the human condition by providing a public forum for discussion and debate about ethical issues related to business.
