Positioning change recipients' attitudes toward change in the organizational change literature. The Journal of Applied Behavioral Science , 46 (4), 500 – 531 . Bouckenooghe , D. , & Devos , G. (2008).

Findings - The paper finds that textual metaphors mediate organizational change across space and time in five ways: transferring from familiarity to strangeness, providing coherence, "breaking ...

The purpose of the Journal of Leadership & Organizational Studies (JLOS) is to publish research aimed at helping us understand and predict effective leadership – leadership of people, groups, and organizations. JLOS continuously renews and reinvigorates leadership scholarship, practice and policy by promoting forward thinking scholarship.

This review selectively examines the theoretical and empirical organizational change literature over the past nine years (1990–early 1998). Four research themes or issues common to all change efforts are discussed: (a) content issues, which largely focus on the substance of contemporary organizational changes; (b) contextual issues, which principally focus on forces or conditions existing in ...
