Journeyman features in-depth interviews with Greaves and other men who have similarly served the fight game, including Kristian Laight (164 defeats), Daniel Thorpe (113) and Jody Meikle (43). Though sometimes dark, their tales reveal humor, wisdom, and sporting pride: the journeyman eschew glamour, make the best of what they have, and face the world with a smile and a wink.

Directed by Robert Parrish. With Roy Thinnes, Ian Hendry, Patrick Wymark, Lynn Loring. The European Space Exploration Council sends two astronauts to explore a planet similar to the Earth but located on the opposite side of the sun.

All right, I'll grant you that some of the science in "Doppelganger" (or "Journey To The Far Side Of The Sun") is kind of dopey. The idea of an entire planet existing undetected (because we can't see it on the other side of our sun) doesn't hold up at all - any Astronomy 101 student knows that another planet the size of Earth would cause gravitational perturbances in the motions of other planets.
