Gives techniques for preparing to take the NCLEX-RN exam, and includes two practice tests.

"How to Pass Nursing School" is a comprehensive book that covers all of the important aspects of nursing school. Unlike other books on this topic, this book will tell you all about nursing school—from A to Z! Nursing students often enter nursing school not knowing what to expect, and sometimes find themselves struggling to pass. Some students even become discouraged to the point of questioning whether or not they should quit or pursue a different degree. This guide was written to give students tips to pass, and to tell them exactly what to expect when attending nursing school. The author, S.L. Page, BSN, RN, currently works as a cardiac nurse, and graduated from

nursing school with honors. She passed the NCLEX test on her first try, and later went on to start a popular website, where she's helped thousands of people learn more about nursing. In this book, Sarah guides the reader through what to expect in nursing school from beginning to end, covering all of the things students can expect to face, and sharing all the tips, tricks, and resources she used along the way. Whether you're a current nursing student looking for ways to boost your performance, a high school student interested in preparing for nursing school, an adult looking to return for a nursing degree, or a recent graduate looking for tips to transition into your first job--this book can equip you with the tools and resources to help you succeed. Aside from this nursing school guide, you'll also receive a bundle of professionally designed resume and cover letter templates for submitting resumes after graduation, a printable weekly planner template to help you stay organized, and a printable flashcard template for making flashcards. All templates are in .doc or .docx format, and must be downloaded separately following instructions in the book itself. All of these resources are included with your purchase of "How to Pass Nursing School." These resources alone are worth the purchase price, but you'll get them free as a special gift when you purchase this book. It doesn't matter whether you know nothing about nursing school, or whether you're already in nursing school--this book has something for everyone. To see all of the topics covered in this book, use the "Look Inside" feature on Amazon. Here's just a sample of some of the topics covered: How to prepare for nursing school Tips for international students and returning adults Different types of nurses and degrees (LPN, RN, etc.) Sample curricu-

lum and classes Paying for nursing school (scholarships, financial aid, etc.) Saving money on textbooks Information on care plans, clinicals, and nursing skills Nursing entrance, mid-curricular, and exit exams Studying and test-taking strategies NCLEX Nursing career information Common nursing specialties Preparing for interviews Preparing resumes and cover letters (you'll receive cover letter and resume templates) Tips to get a job and advance in your career and more Who will benefit most from this book? "How to Pass Nursing School" will best benefit the following readers: Adults or international student interested in returning to nursing school, or becoming a nurse in the U.S.(this guide will tell you what to expect) High school students planning to enter nursing school (you'll learn what to expect and how to prepare) For current nursing students, this guide will offer study tips, NCLEX tips, how to save money on books, scholarship resources, and more. If you're about to graduate nursing school (or a recent graduate)--you'll benefit from the professionally designed resume templates and cover letters, and advice on finding jobs and performing well in interviews.

Help alleviate your pre-test jitters with this essential nursing resource! Written by the most trusted experts in NCLEX® prep, Saunders 2020-2021 Strategies for Test Success, 6th Edition introduces tools for overcoming test anxiety and tactics for developing effective study habits. Essentially, it teaches you how to master the things that matter most on your nursing school exams: critical thinking, problem solving, and time management. This essential guide features over 1,200 practice questions and rationales to help you tackle anything from a routine quiz to the NCLEX. It also includes a wealth of proven tips and real-world hints to help you confidently evaluate and identify the correct answer for a variety of test question types, including alternate item formats. Plus, additional questions on the Evolve website gives you even more preparation material! 1,200 review questions are included in the book and online, providing a 2-in-1 approach to learning strategies and test-taking skills Increased focus on critical thinking uses different strategies to help you develop clinical judgment skills, and the ability to question data, and client abnormalities. Helpful Tips for the Nursing Student highlight the most important concepts needed for exam success. UNIQUE! Student-to-Student Hints highlight real life strategies that have helped other students graduate from nursing school and pass the

NCLEX® exam. Practice questions coded for the beginning, intermediate, or experienced student, making this book a useful tool throughout your nursing school career. Clearly defined cognitive levels help if you are unfamiliar with this terminology and its significance. Coverage of Interprofessionalism discussed where appropriate throughout text. Priority concepts for each question help you to link your concept-based classes and NCLEX® prep. A fun, 4-color design features cartoons and bold designs to help engage visual learners. NEW! Clinical Judgment Situations and Next Generation NCLEX® (NGN) practice questions included on Evolve site let you apply strategies from the text in a realistic electronic testing environment.

Provides comprehensive exam review as well as test-taking strategies and study techniques.

"How to Prepare for Nursing School" is a book that covers all of the important aspects of preparing for nursing school. In this book, you'll learn about the different types of nursing programs, how to select a good nursing school, how to finance your nursing education, and much more. Nursing students often enter nursing school not knowing what to expect, and sometimes find themselves struggling during the admissions process. Some students even become discouraged to the point of questioning whether they should quit, or pursue a different degree. This guide was written to give students tips insight into how to approach nursing school. The author, S.L. Page, BSN, RN, currently works as a cardiac nurse and graduated from nursing school with honors. She later went on to start a popular nursing website, where she's helped thousands of people learn more about nursing. In this book, Sarah guides the reader through what to expect when applying to nursing school. She warns students of what they can expect to face, and she shares all the tips, tricks, and resources she used along the way. Whether you're a high school student who is considering attending nursing school, or a returning adult looking to get a first (or second) degree in nursing, this book will tell you how to prepare. This book is a part of the comprehensive book written by S.L. Page titled, "How to Pass Nursing School." Here's just a sam-

ple of some of the topics covered: How to prepare for nursing school in high school Tips for international students and returning adults Different types of nurses and degrees (LPN, RN, etc.) Sample curriculum and classes Paying for nursing school (scholarships, financial aid, etc.) When to apply to nursing school FAQ about nursing school and more Who will benefit most from this eBook? "How to Prepare for Nursing School" will best benefit the following readers: Adults or international student interested in returning to nursing school, or becoming a nurse in the U.S.(this guide will tell you what to expect) High school students planning to enter nursing school (you'll learn what to expect and how to prepare) Anyone interested in the field of nursing

Nursing Leadership & Management, Fourth Edition provides a comprehensive look at the knowledge and skills required to lead and manage at every level of nursing, emphasizing the crucial role nurses play in patient safety and the delivery of quality health care. Presented in three units, readers are introduced to a conceptual framework that highlights nursing leadership and management responsibilities for patient-centered care delivery to the patient, to the community, to the agency, and to the self. This valuable new edition: Includes new and up-to-date information from national and state health care and nursing organizations, as well as new chapters on the historical context of nursing leadership and management and the organization of patient care in high reliability health care organizations Explores each of the six Quality and Safety in Nursing (QSEN) competencies: Patient-Centered Care, Teamwork and Collaboration, Evidence-based Practice (EBP), Quality Im-

provement (QI), Safety, and Informatics Provides review questions for all chapters to help students prepare for course exams and NCLEX state board exams Features contributions from experts in the field, with perspectives from bedside nurses, faculty, directors of nursing, nursing historians, physicians, lawyers, psychologists and more Nursing Leadership & Management, Fourth Edition provides a strong foundation for evidence-based, high-quality health care for undergraduate nursing students, working nurses, managers, educators, and clinical specialists.
