Kierkegaard Søren - The Sickness Unto Death

Søren Kierkegaard was born on May 5, 1813, in Copenhagen, Denmark, and died there on November 4, 1855. Kierkegaard is recognized to have, in the nineteenth-century, reawakened philosophy to its basic mystery, that the human being exists in the anticipation of death, and that the subjectivity of death anxiety is the source of consciousness and spirituality.

Kierkegaard and Death succeeds admirably at demonstrating how the Kierkegaardian corpus presents us with something like a philosophy of finite existence, in a way that will open up avenues of further research and should also serve as essential reading for anyone who believes that reflecting on human mortality could perhaps be a fruitful enterprise after all."

Søren Kierkegaard [Princeton University Press, Princeton, New Jersey, 1941] Preface Despair is the sickness, not the cure. In Christian terminology death is the expression for the greatest spiritual sickness, and the cure is simply to die, to "die from" despair. Introduction Only the Christian knows what is meant by the sickness unto death. As
