KS1 Maths Problem Solving - Primary Resources - Twinkl

Fluency reasoning and problem solving have been central to the new maths national curriculum for primary schools introduced in 2014. Here we look at how these three approaches or elements of maths can be interwoven in a child's maths education through KS1 and KS2.

These booklets each contain over 40 reasoning and problem solving questions suitable for KS1, KS2 and KS3 classes. These are the questions that we have been putting out each day in March 2016 on Twitter in the run up to SATS.

Reasoning is fundamental to knowing and doing mathematics but when do we reason, what does reasoning 'look like' and how can we help children get better at it? This feature is in two parts: The first article and accompanying selection of tasks offer opportunities for learners to reason for different purposes and in different ways.
