4F6LK6 - CLINTON VAUGHAN

Labor Relations: Striking a Balance: Budd, John W ...

This textbook presents labor relations as a system for striking a balance between the employment relationship goals of efficiency, equity, and voice, and between the rights of labor and management. It is important to examine these goals to discover what motivates contemporary U.S. labor relations processes, and to evaluate whether

these processes remain effective in the 21st century.

Budd presents labor relations as a system for balancing employment relationship goals (efficiency, equity, and voice) and the rights of labor and management. By weaving these themes with the importance of alternative perspectives on the nature of employment relationship throughout the text, students can learn not only how the traditional labor relations processes work, but also why these processes exist and how to evaluate whether they are working.
