#### **Lark 1 Erica Cope**

Lark by Erica Cope 3 STARS I went back and forth between 2 and 3 stars almost all the way through the book. At first though, I was actually convinced it was going to be a 2 star, but fortunately the story improved, the lead female, Mia, became slightly less annoying, a swoon-worthy male was introduced and the ending won the 3 stars.

If I'm honest, Nightingale is my favorite out of the books set in the Lark universe so I was very excited to see it getting some love finally! Here's what they said about NIGHTINGALE: "At #3 is "Nightingale" by Erica Cope. Wren Fairchild has no memory

of who she is or how she ended up in a Light Elf kingdom.

**Author Erica Cope**

Erica Cope did such a wonderful job of wrapping up the trilogy, but leaving enough loose ends to make us wonder what is going to happen to the characters next. Mia has grown up so much in this book. I'm amazed by the transformation she has made from being the wide-eyed, naïve girl she was in the first book, LARK, to the leader she becomes in LIKE THE DAWN.
