Larson And Gray Project Management

Clifford F. Gray and Erik W. Larson have written a very detailed and lengthy book with real world case studies especially ones based in India. It serves as a reference for my Information Systems Project Management course I had. However this wasn't the best reference book I ever had my Fall 2017 semester while attending university.

Project Management: The Managerial Process

As such, Larson/Gray presents a holistic view that focuses on methodology as well as the human dimension and how they interact to determine the outcome of projects. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.
