A broadside (also known as a broadsheet) is a single sheet of inexpensive paper printed on one side, often with a ballad, rhyme, news and sometimes with woodcut illustrations. They were one of the most common forms of printed material between the sixteenth and nineteenth centuries, particularly in Britain, Ireland and North America and are often associated with one of the most important forms ...

We estimate the number of such broadside ballads to be between 11,000 and 12,000. EBBA, however, will necessarily include earlier and later ballads as many collections are expansive in historical range, and extant sixteenth-century ballads, such as the Huntington's Britwell collection, are very rare. Still, as a matter of funding and time ...

A ballad is a form of verse, often a narrative set to music. Ballads derive from the medieval French chanson balladée or ballade, which were originally "dance songs". Ballads were particularly characteristic of the popular poetry and song of Britain and Ireland from the later medieval period until the 19th century. They were widely used across Europe, and later in Australia, North Africa ...
