This book covers the following topics: United Nations and Statute of the International Court of Justice, Law of treaties, Subjects of international law, Diplomatic and consular relations, International responsibility, Peaceful settlement of international disputes, International peace and security, International human rights law, Movement of persons and international migration law. **Free Civil Law Books Download | Ebooks Online Textbooks ...**

The book attempts to critically analyse the cases on the law of copyright, decided by the Indian Courts as well as Courts of other countries, specially English and American Courts. The book also evaluates the relation between statutory copyright law as well as case law on the subject. The law of India refers to the system of law across the Indian nation. India maintains a hybrid legal system with a mixture of civil, common law and customary, Islamic ethics, or religious law within the legal framework inherited from the colonial era and various legislation first introduced by the British are still in effect in modified forms today. Since the drafting of the Indian ...
