A contract is a legally binding agreement between two or more parties which, if it contains the elements of a valid legal agreement, is enforceable by law. The contract law module concerns itself with the rules governing such agreements. You will be acquainted with the role contract law performs in business and economic activity.

LLB (Hons) Law with Management with Foundation Year ...

The law of contract states that the first step required to form a valid contract is that an offer must be formally made by one of the parties to another. A common example to elucidate upon this principle is found in the sale of property; the purchas-

er, in this example, must make an offer to purchase the underlying property.
