in the UK and internationally. The title of the book Professionalism in the Early Years reflects the conceptual shift that has taken place since the publication of Abbott and Pugh's book a decade before and also mirrors government policies on 'reforming' and professionalizing the early years workforce in England and in other countries.

THE CHANGING FACE OF PROFESSIONALISM IN THE EARLY YEARS

If the perception of honesty or respect is perceived as dishonest or disrespectful conflict may arise, and the professionalism or capacity for leadership may be questioned. It is such perceptions that leave the definitions of professionalism and leadership open for interpretation. So, how do you define leadership, or professionalism?

Leadership and Professionalism: Key Qualities | SeroTalk

The aim was to make early childhood a more attractive field to work in, by introducing leadership routes for new and existing members of the workforce. Programmes such as National Professional Qualification in Integrated Centre Leadership (NPQICL) and the Early Years Professional Status (EYPS) are two examples of awards granted to those undertaking intensive training at postgraduate level.
