## EOUXEN - GRAHAM PAUL

---

Leading Change by John P. Kotter Book review by Pat Naughtin Harvard-Professor John P. Kotter has been observing the process of change for 30 years. He believes that there are critical differences between change efforts that have been successful, and change efforts that have failed. What interests him is why some people are able to get

Leading change by Kotter, John P., 1947- ... Leading Change provides the vicarious experience and positive role models for leaders to emulate. The book identifies an eight-step process that every company must go through to achieve its goal, and shows where and how people ...

**Leading Change By John P Kotter - reliefwatch.com**

Leaders who successfully transform businesses do eight things right (and they do

them in the right order).

### **Leading Change: Why Transformation Efforts Fail**

I chose *Leading Change* since the book is an international bestseller written by one of the best authors in business management. Having read one of Kotter's books: *The Heart of Change* (2002), I was amazed by the depth of knowledge he possesses in how best to manage businesses towards change. *Leading Change* was a way of extending my understanding of the same subject.

In "*Leading Change*", John Kotter examines the efforts of more than 100 companies to remake themselves into better competitors. He identifies the most common mistakes leaders and managers make in attempting to create change and offers an eight-step process to overcome the obstacles and carry out the firm's agenda: establishing a greater sense of urgency, creating the guiding coalition ...
