Jessica Park has outdone herself again, even though it's shorter than the first it's still just a great. There's emotion, turmoil and pain, love, friendship, and family. I highly recommend reading left drowning prior to reading Restless Water's because you'll not fully grasp this story without it.

[Restless Waters \(Left Drowning, #2\) by Jessica Park](#)

Jessica Park has become my favorite author, right along side Colleen Hoover. There is no first or second best they are both simply #1 in my book!!! PS: I thought it was quite clever and entertaining how Jessica Park incorporated her author friend's names in this book, loved it.
