It’s only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia’s sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring

Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

Travis King is the worst kind of asshole. He taunts me for being a good girl and mocks my high standards. He's cruel, crass, and has enough confidence to last two lifetimes. And I hate him. It wouldn't matter so much if he were avoidable. But considering he's my older brother's best friend and roommate, I see him more than I'd ever want to. His sculpted abs and gorgeous eyes are wasted on such an arrogant man, which makes me hate him even more. Even though I've had a crush on him since I was ten, the feelings weren't mutual and he's always made that very clear. He's always loved getting under my skin and one night against my better judgment, I let him in my bed. I've succumbed to his manwhore ways, but that doesn't change a thing. Because the King is about to get played at his own game-and lose. Checkmate.

Teddy King excels at many things. Playing hockey. Check. Scoring on and off the ice. Check. Being stupidly attractive ... Double check. Despite his demanding schedule, he still finds time to an-

noy me. I knew him way back when. Before he was the guy everyone wanted a piece of, he was just a rebellious college co-ed and one of my more energetic study partners. But secrets have a way of getting out, and a steamy encounter from our college days (that we probably shouldn't have filmed) is about to cause a major scandal. Unless we can work together to stop it. Teddy's no stranger to hard work ... but the thing he wants most? Is me. Note: This high-heat standalone is chock-full of scorching banter and steamy good times. He's a testosterone-dripping hockey player who wants a second chance. She's a tough as nails attorney intent on making partner. Frienemies to lovers. No cliffhanger. Enjoy! Your favorite hot jocks are back with an all new stand-alone novel. If you like sexy, confident men who know how to handle a stick (on and off the ice), and smart women who are strong enough to keep all those big egos in check, this series is perfect for you!

Spanning more than two centuries in Ireland, *Castle on the Rise* unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend's vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they'd imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom's home in Ireland—never expecting she'd be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of

Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle's lady of legend, fighting for survival through the 1798 rebellion that started it all. Im Austausch für die Grabungsrechte gab er seine Tochter Jack Clarke. Heute bin ich ein freier Mann, und will meine Rache. Sechs Jahre voller Grausamkeiten machen aus Menschen Bestien. Ich werde mir das zurückholen, was er mir gestohlen hat, und noch mehr. Ich bin nicht an seinen Immobilien oder Aktien interessiert. Ich will sein Kleingeld nicht. Ich will seinen größten Schatz, die schöne, mental instabile Angelina Dalton-Clarke. Mit ihren Milliarden ist sie die

reichste Witwe des Landes, und auch die verrückteste. Ihre selbstverletzenden Tendenzen hatten Jack dazu veranlasst, sie für unzurechnungsfähig erklären zu lassen, bevor er sich eine Waffe an den Kopf hielt und sich das Gehirn rausblies. Lina darf keinen Cent ihres Reichtums anfassen. Ihr Vater verwaltet ihre Finanzen und hat alle Unterschriftsvollmachten. Als ihr Mann werden mir diese Aufgaben zufallen, aber wenn sie denkt, dass ich sie nur wegen ihres Geldes will, irrt sie sich gewaltig.

Eliza Knight's bestselling Scottish historical romance series, The Stolen Bride Series, is back with another amazing tale of adventure, passion and love! Ceana Montgomery had notions of marrying for love after her first disastrous marriage ended in widowhood. But now Robert the Bruce has ordered her to marry a stranger, securing a strong alliance and ending a decades-old feud. Already used as a pawn once in marriage, she is devastated

that she will once more have to give up her happiness in order to please the edicts of men. And while the braw warrior standing before her might incite feelings inside her she thought long since buried, desire is a far cry from love. The rivalry between Brochan Lamont and his twin brother, John, began in the womb, and only grew worse from there. They were pitted against each other in childhood, and their father left them with a legacy that was a race to the finish-whoever has an heir first inherits the lands. The only problem is that Brochan has given his loyalty to the Scots, and his brother to the English. In order to keep the lands and ships under Scottish control, Robert the Bruce demands Brochan marry to break the iron-clad will. His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire. Aligned to strengthen the Scottish claims on the realm, Brochan and Ceana must work together to overcome the obstacles that bind them. But perhaps seeing their duties through does not have to be as painful as they both predicted. Is it possible that love can be forged from a union born in alliance? Maybe Fate knew all along just who was meant for who...
