LegalZoom provides access to independent attorneys and self-help services at your specific direction. We are not a law firm or a substitute for an attorney or law firm. We cannot provide any kind of advice, explanation, opinion, or recommendation about possible legal rights, remedies, defenses, options, selection of forms or strategies.

A brand lives in images as well as words. With a brand strategy in place, the law firm is ready to create a visual brand, or what we call "design language." A firm's design language evokes rational, physical and emotional responses among key constituents, both internal and external.
