This stunning fantasy inspired by Chinese folklore is a companion novel to *Starry River of the Sky* and the New York Times bestselling and National Book Award finalist *When the Sea Turned to Silver*. In the valley of Fruitless Mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved *Year of the Dog* and *Year of the Rat* returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, *Where the Mountain Meets the Moon* is a timeless story reminiscent of *The Wizard of Oz* and Kelly Barnhill's *The Girl Who Drank the Moon*. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers.

Destinat elevilor clasei a VIII-a, dar și profesorilor, volumul oferă, pe lângă cele 25 de teste, o sinteză a programei pentru disciplina limba și literatura română și a regulilor concursului de evaluare națională după finalizarea ciclului gimnazial. Cu ajutorul acestor teste, elevii își pot dezvolta abilitățile de receptare și producere a mesajelor și de redactare a compunerilor de diferite tipuri. Elementele de teorie și strategiile de abordare, modelele și soluțiile de rezolvare propuse le dau de asemenea posibilitatea să lucreze independent, în condiții cât mai apropiate de situația reală din cadrul examenului.

What is commonly called the kingdom of Pontos flourished for over two hundred years in the coastal

regions of the Black Sea. At its peak in the early first century BC, it included much of the southern, eastern, and northern littoral, becoming one of the most important Hellenistic dynasties not founded by a successor of Alexander the Great. It also posed one of the greatest challenges to Roman imperial expansion in the east. Not until 63 BC, after many violent clashes, was Rome able to subjugate the kingdom and its last charismatic ruler Mithridates VI. This book provides a general history of this important kingdom from its mythic origins in Greek literature (e.g., Jason and the Golden Fleece) to its entanglements with the late republic of Rome. Roller discusses its rulers as well as the Romans and others who interacted with them and opposed them. He addresses social and cultural issues, including the attitude of the traditional Greek states and other eastern kingdoms, economic issues such as depopulation and land exhaustion, and--especially in the latter years of the dynasty--the changing and indeed endless internal problems in Rome itself that would come to drive or even overpower events in the field. Previous histories of this era are varied in their focus and quality. Needless to say, much of the interest has been directed to the final and most famous member of the dynasty, Mithridates VI (120-63 BC); this book explores the entire kingdom and its rich history. *Empire of the Black Sea* is an engaging and accessible history of a forgotten reign.

„Viața este o afacere care nu-și acoperă costurile.” (Arthur SCHOPENHAUER) „Dacă ceea ce spune Schopenhauer nu va fi niciodată uitat, asta ține probabil de faptul că ceea ce el spune nu e legat de cuvintele pe care le folosește; cele spuse ar putea fi foarte bine redade și cu alte cuvinte - dar va rămâne totuși, dincolo de asta, un sâmbure de simțire, o trăire a adevărului atât de satisfăcătoare, de indestructibilă și de invulnerabilă, atât de autentică cum n-am mai aflat nicăieri altundeva în filozofie. Te ajută atât să trăiești, cât și să mori, și mai ales să mori: îndrăznesc să afirm că adevărul rostit de Schopenhauer, prin satisfacția pe care ți-o aduce, te ajută să faci față în ceasul de pe urmă - și asta fără nici un chin, fără vreun efort de gândire, fără cuvinte.” (Thomas MANN)

Popasuri scriitoricești este o serie antologică dedicată scriitorilor care s-au născut în spațiul geografic al Oltului, sunt sau au fost trăitori în acest areal ori au alte legături cu râurile Olt și Olteț, plaiuri natale ale antologatorului. E un mai vechi gând al meu - de a reuni într-o carte scriitori din aceeași arie geografică (spațiul însemnând, poate, un nucleu de inspirație) -, gând devenit proiect de suflet, urmărind parcursul unor oameni conșpațiali mie (chiar dacă nu toți și contemporani!), care-și agățară sau își agață ispitele sufletești de vaierul vorbelor purtate pe aripi de timp. După un prim volum de aproape 300 de pagini, cu peste 20 de autori antologați și biografiați, plus notițe succinte despre o serie de alți scriitori, volum apărut în 2013, acest al II-lea tom cuprinde biografii și texte ilustrative din 50 de scriitori, ordonați cronologic.

Book 2 of The Price of Fame Series... It all started with a cup of sugar. Sweet, innocent sugar was all it took for Logan Phillips to slip into my life like he'd always been there. There's only one problem: Logan is the sexy boy next door and I'm not who I say I am. Six years ago I gave up everything to save the people I loved. Since then I've protected my identity by keeping secrets and telling lies. I'm the last person Logan should be with. In fact, he might be the only person who can help me end my exile and give me my life back. The Latin term *puer aeternus* means eternal youth.
