Let's get real is a foundation document for mental health and addiction workforce development. It draws on much of the valuable competency development work that has been done in the sector over the past decade. This framework is about supporting all of us to achieve the Workforce and Culture for Recovery challenge of

Lets get Real or Lets not Play is a first class book that gets my highest recommendation. I wish I had written it. ISBN 0-446-67598-9. Review by Clive Miller. If you need someone other than Mahan Khalsa to teach the principles or guide adoption, we can help. Telephone +44 (0)1392 851500.

That's what we're about here at Let's Get Real. A place for information and data. A place for tools to improve our communication skills and increase our connection to humanity. Here, we say "No" to Rhetoric. We say "No" to Name Calling. We say "No" to a Culture that seeks to tear us apart. Here, we say "YES" to all that unites us and we CELEBRATE the differences that drive us to EXCELLENCE.

Zig Ziglar said years ago that, "You can get everything you want in life, if you help enough people get what they want." And that's what Let's Get Real or Let's Not Play is about. It's a book for people who want to escape the feeling of "selling", and embrace the notion of helping the client solve their problems; the problems that matter to them, in a way that resonates with their larger objectives.
