Listening does not lead to division beyond reconciliation; it is, in fact, the first step toward it, because listening is an act of love. Imagine if when marginalized people groups spoke in the church to identify it as a historical place of oppression, coerced silence, and abuse, rather than quickly coming to our own defense or, worse, not responding at all, we said, "Tell us more."

**Deep Listening: the act of consciousness | Second Step**

Listening Is an Act of Love presents a bounty of ideas for classroom use across all ages and abilities. This book celebrates communication skills—speaking and listening— that are often overshadowed by the emphasis on reading and writing. Talking, often considered out of place in a class-

room, is channeled into interviewing.

Listening is an act of love, for yourself and for others. One of my favorite assignments to give to during my coaching sessions is to observe and listen. It's like the mind can take a vacation for a bit when you do this simple yet complex task.

In Listening Is an Act of Love, StoryCorps founder and legendary radio producer Dave Isay selects some of the most remarkable stories from the already vast collection and arranges them thematically into a moving portrait of American life. The voices here connect us to real people and their lives—to their experiences of profound joy, sadness, courage and despair, to good times and hard times, to good deeds and misdeeds.

As Dave sees it, the StoryCorps booth — settings where two people ask the questions they've always wanted to ask each other — these are sacred spaces. Listening, he's learned, is an act of love. And eliciting and capturing our stories is a way of insisting that every life matters. I'm Krista Tippett, and this is On Being.
