KieranTimberlake | Architecture, Planning, Research  
James Timberlake and Stephen Kieran met at the University of Pennsylvania School of Architecture, joining Venturi, Scott Brown, and Associates, before receiving Rome Prizes separately and finally founding their practice in 1984.

Loblolly House Loblolly was made using integrated parts that were created offsite. This prevented environmental degradation of the house site. Loblolly's basic four elements were: scaffold, cartridge, block, and equipment. All of these elements are able to be put together by hand. The Loblolly House is an excellent example of the type of ...
