3RBOZI - KAELYN KAEL

British military operations in the Falklands War were given the codename Operation Corporate, and the commander of the task force was Admiral Sir John Fieldhouse. Operations lasted from 1 April 1982 to 20 June 1982.

Kenneth L. Privratsky’s Logistics in the Falklands War describes in fascinating detail the rush to organize and deploy a large task force, innovative solutions to sustain it over a vast distance, the many setbacks and, finally, the hard work to restore order after victory. The operation was a political and military gamble of the highest order.
