Eyes down, little wolf. In her world, the strong were broken young or they didn't survive. Eyes down, little wolf, Zee's father would say. You aren't strong enough yet. Zennia Day kept her eyes down and stayed quiet, knowing that one day, she'd escape. When her chance comes, she finds herself on a road that takes her far from Massachusetts, all the way to North Carolina. She has her eyes on the future...until she meets Niko, a dominant Therian male and future Prime. When she looks at him, instead of a challenge for dominance, Zee sees a promise of forever. Niko charmed her, teased her...and stole her heart. Mere days later, after making a public, permanent claim, he crushed that same heart in his fist, tossing her aside in front of the entire world and casting her out of pack lands. Ten years later, she's an outcast, living far from her own when she gets word her father is dying. She can do nothing—she was banned. Violating Niko's order was to court punishment, even if it was just to tell her father good-bye. "Day is dying." The blunt words almost had him on his knees until Niko realized his second-in-command wasn't talking about Zee, but her father. No Therian is ever left to die alone, so Niko sent orders the Day family to come home. Niko is unprepared for Zee's

message. I have no pack. I have no home. The words leave him shattered. Realizing what he'd done in his rage, Niko pushes harder for answers. It doesn't take long to discover that what he'd heard a decade earlier had been based on lies. Because of those lies, he'd thrown away the love of his life. Zee's been paying the price ever since. Now he must mend a heart he'd broken...and convince her to give him one more chance.

It Happened One Night . . . and nothing was ever the same again! Once upon a time, four superstar storytellers—New York Times bestselling authors Stephanie Laurens and Mary Balogh, along with Jacquie D'Alessandro and Candice Hern—came up with a delicious idea. What if they each wrote a story about a proper young lady stranded at a remote inn away from society's constraints? What would happen? And how long would it take for her to give in to desire? In these four amazing tales, four heroines will come face-to-face with the men who got away . . . only to discover that, instead of anger, there is still a passionate connection that cannot be denied. And while each of their lives is quite different, and their pasts utterly unique, they will all make a common discovery—that one night can change everything . . . forever.

But instead of a lone killer he discovers a sinister conspiracy of rogue vampires bent on subjugating the mortal world. All that stands in their way are the conduits, humans able to channel spirit warriors into the physical world to protect mankind. Chloe Fallon is a conduit - and a target of the vam-

pire assassin who's killing them. When Luca saves her life, an irresistible bond of trust - along with more passionate feelings - is forged between them.
