The underlying plot, which is much the same for most of her Breed series, showcased the need for approval and acceptance of individuals for themselves, no matter the circumstances.

A special thanks to Kat Brandt for helping me put this together. As noted, the Breeds at one time or another have been separated by three publishers. I never imagined the series would be so popular or that it would go so far. Now that it has, we have a few discrepancies that I

hope you'll overlook. Thank you Kat. Your help is deeply appreciated.
