Magic Tree House: Adventures with Jack and Annie, perfect for readers who are just beginning chapter books Merlin Missions: More challenging adventures for the experienced reader Fact Trackers: Nonfiction companions to your favorite Magic Tree House adventures

Lewis is a town of secrets. The Royce family has been a plague on the small, Southern town of Lewis for generations. Caleb has heard rumors about the family his whole life, just like he's heard the rumors about a monstrous creature known as Catfish John living in the swamp. When the Royce house burns down, Caleb's father-Lewis's sheriff-takes in the sole survivor, a young girl named Cere. Caleb quickly learns the truth about Archie Royce and the terrible fate he had planned for his daughter. After a woman is brutally murdered, Cere begins to suspect that not all of her family perished in the fire, and she and Caleb set out to stop her father's dark vision from coming to pass. Years later, Caleb is the sheriff of Lewis, and the monsters of his childhood return. Now Caleb must fight to protect those he loves from Archie Royce's legacy, and his best hope may be a legend he's almost managed to convince himself never existed-Catfish John.

Featuring new art, step-by-step diagrams and tips from Jack and Annie, a chapter-book companion to the 50th Magic Tree House adventure outlines how to perform basic magic tricks and is com-

plemented by engaging facts about famous historical magicians. DigiCat Publishing presents to you this special edition of "Magic, Stage Illusions and Scientific Diversions, Including Trick Photography" by Albert A. Hopkins. Easy-to-master crowd-pleasing tricks, require a deck of cards and offer beginners experience in handling an audience. Instructions. The best-selling author of *The God Delusion* and the artist of such award-winning graphic novels as *Wizard and Glass* address key scientific questions previously explained by rich mythologies, from the evolution of the first humans and the life cycle of stars to the principles of a rainbow and the origins of the universe. 150,000 first printing.

'Read With Biff, Chip and Kipper Level 1 First Stories' have been specially written to introduce and practise a range of everyday words and to develop children's early reading skills. This engaging and colourful Biff, Chip and Kipper storybook include tips for reading together and talking about the story, puzzles and fun activities.

Western magic has two distinct divisions: ritual and natural magic. Less controversial than ritual magic, natural magic has been openly practiced during times when witches were being excessively persecuted. One form of natural magic is based on the magical power of physical substances, such as Trees, herbs, metals, stones, perfumes, and resins. In her newest book, the author shows you how to work consciously with these energies to enhance and improve your life. In this spirit, she uncovers the importance of trees to the ritual and magical lives of two ancient Northern European cultures—the Germanic peoples and the Celts—that have long inspired modern Wiccan practices. She then outlines the roles trees play in Wiccan beliefs and their contributions to tools of the Craft. Because so much of our understanding of tree magic has been handed down from European pagan traditions, modern sources on tree magic are often focused on species native to Europe, where these traditions originate. This guide takes a different approach, focusing on 13 magical trees native to North America, to help the Witches of "the New World" ground their

practice of tree magic more firmly on home soil. You'll learn about the history and lore of each tree, where it can be found in the U.S. and Canada, and (of course!) its energetic properties and magical uses. What's more, the magical workings included in the guide are all focused on one or more of the featured trees (though appropriate substitutions are always welcome)! Indeed, the book has all you need to embark on a new leg of your magical journey, including: -How trees were used in ritual and magic by our pagan ancestors -The significance of trees to Wiccan cosmology and ritual practice -Advice for forging (and deepening) personal magical connections with the trees that live near you -Profiles of 13 common magical trees—their history and lore, energetic properties, and magical uses -How to safely and respectfully harvest magical ingredients from living trees -Ideas for making your own wand from a tree branch -Spells, meditations, rituals, and more for working with the natural magic of trees -A table of correspondences for easy reference By the end of this guide, you will have a greater understanding of the incredible, magical beings we call trees, and how to work with them to transform your life. So get ready to start developing your own unique practice of tree magic!

This book is part of the Oxford Reading Tree Fireflies series which offer a wide range of stimulating non-fiction titles for young children. It includes a variety of topics covering all areas of the curriculum, from science to citizenship. The books have a bright modern page design, and are illustrated with colour photographs. They are carefully graded across 10 stages and contain built-in progression and vocabulary repetition throughout. Each book includes notes for parents/carers and teaching assistants on the inside covers. This book is also available as part of a mixed pack of 6 different books or a class pack of 36 books of the same ORT stage. Each book pack comes with a free copy of up-to-date and invaluable teaching notes. CD-ROM versions of Fireflies titles are also available as eFireflies.

India's association with magicians goes back thousands of years. Conjurers and illusionists dazzled the courts of Hindu maharajas and Mughal emperors. As British dominion spread over the sub-continent, such wonder-workers became synonymous with India. Western magicians appropriated Indian attire, tricks and stage names; switching their turbans for top hats, Indian jugglers fought back and earned their grudging respect. This book tells the extraordinary story of how Indian magic descended from the realm

of the gods to become part of daily ritual and popular entertainment across the globe. Recounting tales of levitating Brahmins, resurrections, prophesying monkeys and "the most famous trick never performed," *Empire of Enchantment* vividly charts Indian magic's epic journey from street to the stage. This heavily illustrated book tells the extraordinary, untold story of how Indian magic descended from the realm of the gods to become part of daily ritual and popular entertainment across the globe. Drawing on ancient religious texts, early travelers' accounts, colonial records, modern visual sources, and magicians' own testimony, *Empire of Enchantment* is a vibrant narrative of India's magical traditions, from Vedic times to the present day.

Provides instruction on simple paper magic tricks, including "magical mend" and "money morph."

Make some magic in this colorful, interactive picture book from the author/illustrator of the *Hello, World* board book series! Do you know that you're a magician? In this interactive book, use your fingers to perform all kinds of magic tricks. Tap a hat to make a bunny appear, recite a spell to make books bigger, say "Gone-zo!" to make a ship disappear, and much more. But beware: the clever magic tricks don't always turn out the way you'd expect! Reminiscent of Hervé Tullet's *Press Here*, kids—and adults!—are sure to want to read this book again and again as they perfect their magic skills.

DigiCat Publishing presents to you this special edition of "Hocus Pocus Junior: The Anatomie of Legerdemain" by Anonymous. DigiCat Publishing considers every written word to be a legacy of humankind. Depression & Other Magic Tricks is the debut book by Sabrina Benaim, one of the most-viewed performance poets of all time, whose poem "Explaining My Depression to My Mother" has become a cultural phenomenon with over 50,000,000 views. Depression & Other Magic Tricks explores themes of mental health, love, and family. It is a documentation of struggle and triumph, a celebration of daily life and of living. Benaim's wit, empathy, and gift for language produce a work of endless wonder.

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.

Div Step-by-step instructions and clear diagrams show how to perform 18 mystifying maneuvers, using only common objects. Strength Test, Untangled, Elastic Lock, Mystic Spinner, Rollaway, Heavyset, The Great Escape, 11 more. /div

First published in 1922, "Indian Conjuring" is an illustrated guide to Indian magic tricks by Major L. H. Branson (1879 - 1946), a British officer in the British Indian Army and magician. It includes explanations and step-by-step instructions for a variety of magic tricks that the author came across while serving in colonial India during the early twentieth century. Contents include: "A Comparison", "The Cup and Balls", "The Bamboo-Sticks", "The Ring on the Stick", "The Glass Box", "The Bunder Boat", "The Bowl of Rice", "The Coloured Sands", "A Rope Trick", "The Swastika", "The Egg Bag", "The Dancing Duck", "The Mango Tree Trick", etc. Other notable works by this author include: "A Text Book of Magic as Elbiquet" (1913), "Supplementary Magic as Elbiquet" (1917), and "A Lifetime of Deception: Reminiscences of a Magician" (1953). Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, modern, high-quality edition complete with the original text and artwork.
