Holy burning marksMarked by Power, the collaborative book by Cece rose and G. Bailey, was absolutely out of this world, insanely good. Marked by power follows Kenzie, a seemingly ordinary girl who just wants to get through the next 3 years and get back to her plans. Life, however, has other plans for Kenzie.

Marked by Power is a fantastic start to a new series. A collaboration by two talented authors that flows seamlessly and without fault. I really enjoyed this story, the main character was likeable as were her love interests and the supporting characters. The story built really well with twists and turns and ended in a bit of a cliffhanger.
