The first book in the completed three-part werewolf series! Danica “Danny” Lewis wanted something more in life. She wanted a boyfriend, riches, or at least to get out of her office job. She got all she bargained for, and a fur coat when she falls into the clutches of a pack of organized werewolves intent on making her into doggy biscuits. Her rescue comes in the form of a handsome and powerful werewolf named Mark who woos her in the hopes of getting more out of the bargain than a good scratch behind the

ears. Looking for other sensual werewolf reads? Try out some of my other series! You can't outrun a curse ... trust me. I've tried. My heart was left shattered into a million jagged pieces. To survive, I did the only thing I could and forced myself to play the part of the perfect girlfriend. The perfect daughter. Because no one wants someone broken. But now, the boy who owned my heart is a grown man — hardened and cold. Seeing Aidan four years later forces me to face my greatest fear, and realizing he is my fated mate only makes things worse. Secrets aren't meant to stay buried, and fate always has a plan. That's the funny thing about destiny. Right when you think everything is figured out, you get dealt a new hand. The first in The Wolf Chronicles trilogy, brilliant-

ly weaving together original research, lovable characters and a dynamic, thoroughly engaging plot, Promise of the Wolves is a historical adventure story in the tradition of Clan of the Cave Bear and Watership Down. Set 14,000 years ago in what is now Southern Europe, Promise of the Wolves is told from the point of view of Kaala, a young wolf born of a forbidden, mixed-blood litter. An outcast after her mother is exiled, Kaala struggles to earn her place in her pack. But her world is turned upside down when she rescues a human girl from drowning. Kaala and her young pack-mates begin hunting and playing with humans—risking expulsion from their pack and banishment from their home in the Wide Valley. When war between humans and wolves threatens, Kaala learns that she is the last in a long line of wolves charged with keeping watch over humans in order to prevent them from losing touch with nature and thus destroying the world. But to do so she must solve the great paradox of wolfkind: though wolves must always be with humans, humans cannot abide the presence of wolves, and every time the two come together,

war ensues. Kaala must choose between safety for herself, her friends, and their human companions and the survival of her pack—and perhaps all of wolf and humankind.

Three Black Mesa Wolves Holiday Stories in One Collection! Christmas Wolf | Solstice Wolf | New Year Wolf ★★★★★ "This is a beautiful Christmas story. ... Mason and Ana's story will touch your heart." ★★★★★ "Such a romantic love story... The emotion is raw, it's real. I cried." ★★★★★ CHRISTMAS WOLF Mason Pearce never felt passionately about anything, until he met beautiful, sexy Ana. She stirred up his wild side and marked his heart as hers—then left him without explanation. When he runs into her during the holidays, he knows one thing for certain: He won't let her go again. No matter what it might cost him. When omega wolf

Ana Lyall walked away from her forbidden human soulmate, it shattered her heart. But wolf shifters and humans can't mix, and she won't have Mason's blood on her hands. Nothing can entice her back to him—unless some wild Christmas magic can make their season bright after all. SOLSTICE WOLF Once upon a time, wolf shifter Lia Woolsey fell in love. Connor is the mate of her heart, soul, and body. But then she's offered a once-in-a-lifetime career opportunity, one she can't turn down. Not even if it means leaving Connor and shattering her heart. Connor Lowe's place in the Black Mesa Wolf Pack is secure, his deeply committed work as a doctor fills his days, and his mate, Lia, lights up his entire life. He's the world's happiest wolf—but his mate isn't. And he loves her too much to stop her from leaving to follow her own bliss. As the frozen longest night of the year approaches, Connor and Lia face an impossible choice...the kind only winter solstice magic might be able to fix before it's too late. NEW YEAR WOLF With devoted mate Rielle at his side, disgraced wolf shifter Caleb Bardou is slowly piecing back together his recently

shattered life. He's a fighter at heart--but when he was justifiably stripped of his Pack Guardian status, it about knocked him out cold. Throwing his energy into a successful new business training other shifters to circuit fight with Rielle cheering him on all the way, Caleb has found a new path in life. Then his arch nemesis unexpectedly threatens to take the shine off their bright new year. Caleb's answering jab will determine the course of the rest of his life...if only he can overcome a burning anger at his old enemy.

Visions of feral eyes haunt the waking hours of Alexandra Shaw. They both scare and intrigue her, and after one particularly strong dream she heads out to find where these visions are leading her. Her destination turns out to be Greylock Lodge, a supposedly abandoned chalet up in the mountains. Getting there proves to be the hard part, but she's not the only one trying to reach the elusive lodge. A tense crowd waits in a small clearing, and among them is a handsome man by the name of Christopher Dayton. The eyes have called them all there, but they all have their different reasons for coming. The crowd is presented with a challenge by two mysterious figures, people who can change into wolves and back again. Their goal, if they can make it, is to reach Greylock Manor at the far end of the forested valley. Anyone who can't will lose not only the game, but their memories. Maybe even their lives. Alex finds Chris at her side as she sets off into the dark, spooky woods where unknown dangers await them. The

'game' soon gets all too real, but Alex is determined to reach the end, no matter what. Chris is likewise set on winning, but Alex can't help but notice the enticingly heated gazes he sends her way. Along the way Alex discovers that even if she doesn't reach the end, she's perhaps found something more important: love.

The complete erotic romance series *Marked By the Wolf* (Werewolf Romance) available here in one single package. Danica "Danny" Lewis went searching for adventure and found more than she could swallow after she was bitten by a wolf. All titles are available separately and in a discounted box set. *Marked By the Wolf Part 1: Danica "Danny" Lewis* wanted something more in life. She wanted a boyfriend, riches, or at least to get out of her office job. She got all she bargained for, and a fur coat when she falls into the clutches of a pack of organized werewolves intent on making her into doggy biscuits. Her rescue comes in the form of a handsome and powerful werewolf named Mark who woos her in the hopes of getting more out of the bargain than a good scratch behind the ears. *Marked By the Wolf Part 2: Danica "Danny" Lewis* now has the exciting life she wished for, but with an entire pack of wolves on her trail and no one to turn to be her possessive mate. As her first full moon approaches and her time as a human ticks away, she finds herself torn between the grand life she always dreamed to live and the old life to

which she longs to return. *Marked By the Wolf Part 3: Danica "Danny" Lewis'* life has taken more twists than taffy at a taffy factory, but things complicate further when her mate and she are forced into rescuing her old friend from the clutches of their werewolf nemesis who would rather kill them all then release the human. Her mate hits upon a plan to use an old friend of the family to help, but she has her doubts when she learns that the old friend is more dead than alive. Grace is fascinated by the wolves in the woods behind her house; one yellow-eyed wolf in particular. Every winter, she watches him, but every summer, he disappears. Sam leads two lives. In winter, he stays in the frozen woods, with the protection of the pack. In summer, he has a few precious months to be human . . . until the cold makes him shift back again. When Grace and Sam finally meet, they realize they can't bear to be apart. But as winter nears, Sam must fight to stay human - or risk losing himself, and Grace, for ever. "The *Alienist* set in eighteenth-century Stockholm: Brawny, bloody, intricate, enthralling—and the best historical thriller

I've read in twenty years." —A.J. Finn, #1 bestselling author of *The Woman in the Window* "Thrilling, unnerving, clever, and beautiful." —Fredrik Backman, #1 bestselling author of *A Man Called Ove* "Chilling and thought-provoking. Relentless, well-written, and nearly impossible to put down." —Kirkus Reviews (starred review) One morning in the autumn of 1793, watchman Mikel Cardell is awakened from his drunken slumber with reports of a body seen floating in the Larder, once a pristine lake on Stockholm's Southern Isle, now a rancid bog. Efforts to identify the bizarrely mutilated corpse are entrusted to incorruptible lawyer Cecil Winge, who enlists Cardell's help to solve the case. But time is short: Winge's health is failing, the monarchy is in shambles, and whispered conspiracies and paranoia abound. Winge and Cardell become immersed in a brutal world of guttersnipes and thieves, mercenaries and madams. From a farmer's son who is lead down a treacherous path when he seeks his fortune in the capital to an orphan girl consigned to the workhouse by a pitiless parish priest, their investigation peels back layer upon layer

er of the city's labyrinthine society. The rich and the poor, the pious and the fallen, the living and the dead—all collide and interconnect with the body pulled from the lake. Breathtakingly bold and intricately constructed, *The Wolf and the Watchman* brings to life the crowded streets, gilded palaces, and dark corners of late-eighteenth-century Stockholm, offering a startling vision of the crimes we commit in the name of justice, and the sacrifices we make in order to survive.

Get lost in this heart-pounding, paranormal psychic romance series by Jami Gray... A woman in hiding. A telepath who sees deeper than her scars. Can they forge a bond stronger than the obsession stalking them before time runs out? Asking for his help will expose more than her heart... Meli Dwyer's well-ordered life followed a clear-cut path, until the death of her beloved brother throws it off course. Grappling with her grief, her world is thrown deeper into chaos by a series of unexplained events, each one marked by an escalating violence. Alone and floundering in a harsh new reality, she reaches out for help from the sexy

and mysterious warrior who managed to sneak under her guard, Wolf. But some risks are worth taking... When Wolf receives a call for help from the elusive and alluring Meli, the PSY-IV Team's lethally skilled telepath doesn't waste time racing to her side. It's an unexpected opportunity to not only set siege to her wary heart but indulge his curiosity on why she's the one woman he can't read. Before he can breach the scars of her painful past, Wolf's drawn into a dangerous game with an enemy whose obsessions blur the line between justice and revenge. As the stakes rise, Meli must face her personal nightmare and the monster behind it, even if it costs her the man determined to protect her battered heart. Large print edition! Secrets are my specialty. I'm Mai Fairchild --- fox shifter, sister's keeper, and bane of the local werewolf pack. In a world where different is dangerous, my sister and I must pretend to be human at all costs. Too bad I just lost the job that lets me live under the radar while putting food on my sister's plate. Enter an enticing werewolf who offers enough cash to upgrade our diets from ramen noodles to salami if I join him on a magical hunt. But can I afford to accept the opportunity when the risk of working closely with every fox shifter's sworn enemy is so great? This first book in USA Today best-selling author Aimee East-

erling's newest series dives into a world of magic, danger, and romance.

The first three books in The Wolf's Den series. MARKED Fantasy becomes reality if you carry the mark. Chloe Bryant doesn't know what to expect when she enters The Wolf's Den. Drawn to the werewolf tattoo parlor for reasons she can't explain, she soon discovers the sexy man from her dreams isn't a figment of her imagination. Not only is Jackson Donovan real, but he explains the dreams they shared are due to their destined mating. It can't be possible. She's not a werewolf. Even if he swears the mark on her wrist indicates otherwise. Jackson is stunned to discover the beautiful minx from his dreams isn't a full-blooded werewolf but a Halfling. The only way to uncover Chloe's past is to stake a claim to her future. By taking the delectable female into his bed, he'll unlock every secret she has to hide—as well as awaken the passion she's tucked away for too long—by exploring her mind, body, and soul one sweet inch at a time. CHANGED Beta werewolf Declan Schroder knows Rachel Gentry is his mate. The hard-as-

nails female is more than he could ask for—intense, clever, and sexy as sin. There's only one problem. Rachel is human and fears his kind. She's receptive to his advances—their sexual chemistry is impossible to deny—until an attack by a rogue werewolf threatens to destroy their newfound bond. As Declan's mating heat rises, he knows he'll do whatever it takes to claim Rachel as his own. To keep her he'll have to love her from dusk to dawn, introducing her to pleasures she's never known. Loving a big, bad wolf is wicked and dangerous, but not in the way she's bound to regret. SOUGHT There can be light in the dark... Shane Heyward left everything behind to find his mate. He struggled for months, following his wolf to her location, guided to a place where supernatural beings exist and thrive—Atrium Hill. Despite being capable of leading his own pack, he chose to join one. When he finds his mate by accident, he's shaken by the truth. Not only is she blind, the wolf within her is completely feral. If he can't help her take control of the beast, she'll have to be destroyed. Luna Lowe was forced to leave her previous pack after she

shifted, attacked, and almost killed two members—one of which was her sister. She's ashamed of her behavior, wondering if death is preferable to living alone when the male she believed abandoned her due to her lack of sight arrives. As Shane and Luna come together, he learns her history. His female was wronged, and the insult has to be dealt with swiftly and harshly. As he takes charge and seeks retribution, reverting to his Alpha nature, everything will change—for both of them.

Destiny not only arrives, but nearly kicks my a\$\$ Even though my foundation has been shaken, Aidan stays by my side, and together, we take the next steps to end the curse. We've found four other marked girls like me, but we're still missing pieces to the puzzle... pieces that are critical for success. As the marked girls and I learn to work together, the truth surrounding the Hallowed Guild comes to light. Armed with this new knowledge, it's time to take action and right the balance of power. To make choices that we'll be forced to live with. One thing is certain—when we're through, our world will never be the same. If you can't get

**BROKEN CURSE** now  
Book 4.5 in the Black Mesa Wolves series by USA Today bestselling author J.K. Harper "This is a beautiful Christmas story. ... Mason and Ana's story will touch your heart." Omega wolf Ana Lyall knows she is essential to the Black Mesa Wolf Pack, despite being its lowest-ranking member. She knows her place, and she's content in it--until she met Mason Pearce and he opened her heart. His seductive touch roused her to possessive heights of ecstasy she'd never before felt, and he believes in her more than anyone ever has. But Mason is human and therefore forbidden. Claiming him as her mate would mean his death. Even though it shredded her heart, she walked away and didn't look back. Mason Pearce never felt passionately about anything--until he met Ana. She stirred up his wild side and marked his heart as hers. When she inexplicably dumped him, he knew there was more to it than she was telling him.

He's tried almost everything to get her back, with no luck. But then he runs into her during the holidays, and seeing her again clarifies one truth: He won't let her go again. No matter what it might cost him. To the reader: This story is filled with hawt times, sexy romance, and the secret world of wolf shifters. The first book in the completed six-book werewolf series! Christina 'Chrissy' Monet aspired for some-

thing more than the life of a simple blog columnist. Her wishes come true when an old wooded property comes up for sale, and she pours her life-savings into the fixer-upper. The property comes with the added bonus of a handsome neighbor by the name of Adam Smith, but sparks fizzle rather than sizzle when she realizes he owns half the property she hoped to have. They part ways with biting remarks on her part, but she finds her carpentry skills aren't up to the task and she's forced into a relationship with the mysterious Smith. Strange happenings occur and she's left wondering whether Smith has more up his sleeve than muscle. Looking for other sensual werewolf reads? Try out some of my other series! This fascinating book

charts the relationship between Mark Rowlands, a rootless philosopher, and Brenin, his extraordinarily well-travelled wolf. More than just an exotic pet, Brenin exerted an immense influence on Rowlands as both a person, and, strangely enough, as a philosopher, leading him to re-evaluate his attitude to love, happiness, nature and death. By turns funny (what do you do when your wolf eats your air-conditioning unit?) and poignant, this life-affirming book will make you reappraise what it means to be human.

The first book in the completed four-part werewolf series! The moon is a harsh mistress for those with the curse, as Grace Stevens is about to find out. A two-week vacation with the promise of relaxation lures Grace to Wolf Lake, a posh watering hole high in the mountains. Strange tales, even stranger animal deaths, and a handsome cabin neighbor lead her to believe that something is amiss around the placid waters of Wolf Lake. Wolf Lake: Part One is the first entry in the Wolf Lake serial, and is not intended to be read as a standalone story. Looking for other sensual werewolf reads?

A captivating, atmospheric mystery set in the crystalline winterland of Russia. Abandoned in a blinding blizzard in the wintry wilds of Russia, Sophie Smith fears for her life. But just like in a fairy tale, a princess comes to her rescue: the beautiful, exotic Anna Volkonskaya. Over a river of ice in a horse-drawn sleigh, she brings Sophie and her friends to a magnificent, if weathered, winter palace. At first, Sophie is enchanted by Princess Anna's stories of long-ago royalty, of white wolves and gray diamonds. But when the princess takes a particular interest in her, Sophie grows concerned. What is her place in the sinister mystery that surrounds her? Even as the wind and wolves howl outside, is she more in danger now, a prisoner of the palace, than she ever was lost in the snow?

Wolf and Man: Evolution in Parallel is a collection of papers that discusses certain crucial attributes of humans including traits that are shared with other social predators. Some papers describe the wolf as the equal of man—the animal is a social hunter of

large game, disregards human boundaries and properties, and consume livestock when it is necessary. The wolf's will to survive is as great as that of man, and brings along many resources to the competition. Several papers review the behavior and culture of man, wolf, dog, and the Chipewyan people who hunted caribou. Another paper examines the communication, cognitive mapping, and strategy in wolves and hominids. Hominids have developed cognitive maps, forced by their predation on large animals to cover wider ranges, to communicate and form complex sequences of utterances. One paper notes that the wolf was able to penetrate on every continent except Australia and Africa due to the Australian continent's isolation. In Africa, there is no ecological space for another highly organized social hunter of large game. The collection can be appreciated by anthropologists, sociologists, psychologists, and scientists involved in paleontology and human evolution.

Werewolves are hunting me. I was just an ordinary girl waiting tables in a small-town bar. I had no idea magic was real. That was, until I backed my car

over a werewolf a couple times. In my defense, the wolf was trying to murder me, and I was all out of mace. Now I've got a cult of rogue wolves on my heels, and the only one who can protect me is Jaxson Laurent--the Chicago Alpha. He suspects I'm special and can't take his eyes off me, but the problem is--he's the sworn enemy of my family. Every time we get close it feels like something is going to rip out of my soul, but the heat between us is irresistible. With danger around every corner and wolves howling in the night, I need to master my magic and stand my ground, or I'll be dead before the next moon rises. An action-packed urban fantasy, *Wolf Marked* features a kick-ass heroine, a dangerous alpha hero, and a steamy slow-burn, enemies-to-lovers romance. Prepare to be drawn into a mysterious and magical world, full of demons, shifters, and sorcerers. This story is set in the wider *Dragon's Gift* universe created by Linsey Hall, and if you en-

joyed the archaeology, history, and daring in her books, this adventure is for you!

This scientific-popular book gives a detailed information about the terrain of Naliboki Forest, which include the relief forming, climate, geobotanic data, analysis of flora and description of the plant communities, maps and geographical names, invertebrate animal species list and the gained knowledges on population ecology of vertebrate animal species as well as historical outline and ethnographical sketch. It is a second edition of the *Naliboki Forest* book that was firstly published in 2016. In the new edition of the book some new text and a lot of new photo information about the forest massif have been added as well some improvements of its first edition have been done.

This international best-seller that changed the way we look at wolves "opens new horizons in understanding animal nature and intelligence" (Newsday). In 1948, Farley

Mowat landed in the far north of Manitoba, Canada, a young biologist sent to investigate the region's dwindling population of caribou. Many people thought that the caribou's conspicuous decline had been caused by the tundra's most notorious predator: the wolf. Alone among the howling canine packs, Mowat expected to find the bloodthirsty beasts of popular conception. Instead, over the course of a summer spent observing the powerful animals, Mowat discovered an animal species with a remarkable capacity for loyalty, virtue, and playfulness. Praised for its humor and engrossing narrative, *Never Cry Wolf* describes a group of wolves whose interactions and behaviors seem strikingly similar to our own. Mowat humanizes these animals that have long been demonized, turning the widespread narrative of the "savage wolf" on its head and inspiring many governments to enact protective legislation for the North's most mysterious creature.
