We offer Maskerade Discworld 18 Terry Pratchett and numerous books collections from fictions to scientific research in any way. in the middle of them is this Maskerade Discworld 18 Terry Pratchett that can be your partner.

### AJUKNJ - COLLIER JAYLEN

Who taught witchcraft to Granny Weatherwax? What does Death keep on his desk? This is an A-Z guide to the characters, places, flora and fauna of Terry Pratchett's fantasy planet, Discworld, with sketches and maps of the key locations.

'They say that a little knowledge is a dangerous thing, but it is not one half so bad as a lot of ignorance.' Everybody knows there's no such thing as a female wizard. So when the wizard Drum Billet accidentally passes on his staff of power to an eighth daughter of an eighth son, a girl called Eskarina (Esk, for short), the misogynistic world of wizardry wants nothing to do with her. Thankfully Granny Weatherwax, the Discworld's most famous witch, has plenty of experience ignoring the status quo. With Granny's help, Esk sneaks her way into the magical Unseen University and befriends apprentice wizard Simon. But power is unpredictable, and these bright young students soon find themselves in a whole new dimension of trouble. Let the battle of the sexes begin . . . 'If you've never read a Discworld novel, what's the matter with you?' Guardian 'Pratchett uses his other world to hold up a distorting mirror to our own' The Times Equal Rites is the first book in the Witches series, but you can read the Discworld novels in any order.

A HEART-RENDING TALE OF TWO GIRLS GROWING UP IN WAR-TORN BAGHDAD Baghdad, 1991. The Gulf War is raging. Two girls, hiding in an air raid shelter, tell stories to keep the fear and the darkness at bay, and a deep friendship is born. But as the bombs continue to fall and friends begin to flee the country, the girls must face the fact that their lives will never be the same again. This poignant debut novel reveals just what it's like to grow up in a city that is slowly disappearing in front of your eyes, and how in the toughest times, children can build up the greatest resilience.

Terry Pratchett takes Shakespeare's Macbeth and then turns it up 'till the knob comes off. It's all there - a wicked duke and duchess, the ghost of the murdered king, dim soldiers, strolling players, a land in peril. And who stands between the Kingdom and destruction? Three witches. Granny Weatherwax (intolerant, self-opinionated, powerful), Nanny Ogg (down-to-earth, vulgar) and Magrat Garlick (naïve, fond of occult jewellery and bunnies). Stephen Briggs has been involved in amateur dramatics for over 25 years and he assures us that the play can be staged without needing the budget of Industrial Light and Magic. Not only that, but the cast should still be able to be in the pub by 10 o'clock! Oh, and a world of advice omitted from the play text: LEARN THE WORDS Havelock, Lord Vetinari

'People didn't seem to be able to remember what it was like with the elves around. Life was certainly more interesting then, but usually because it was shorter. And it was more colourful, if you liked the colour of blood . . . ' On Midsummer Night, dreams are especially powerful. So powerful, in fact, that they can cause the walls between realities to come crashing down. And some things you really don't want to break through. The witches Granny Weatherwax, Nanny Ogg and Magrat Garlick return home to discover that elves have invaded Lancre. And even in a world of wizards, trolls, dwarfs, Morris dancers - and the odd orangutan - they're spectacularly nasty creatures. The fairies are back - and this time they don't just want your teeth . . . 'His spectacular inventiveness makes the Discworld series one of the perennial joys of modern fiction' Mail on Sunday 'Cracking dialogue, compelling illogic and unchained whimsy' The Sunday Times Lords and Ladies is the fourth book in the Witches series, but you can read the Discworld novels in any order.

'Classic English humour, with all the slapstick, twists and dry observations you could hope for' The Times The Discworld is very much like our own - if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle, that is . . . 'This is a story about sex and drugs and Music With Rocks In. Well... ..one out of three ain't bad.' Being sixteen is always difficult, even more so when there's a Death in the family. After all, it's hard to grow up normally when Grandfather rides a white horse and wields a scythe. Especially if he decides to take a well-earned moment to uncover the meaning of life and discover himself in the process, so that you have to take over the family business, and everyone mistakes you for the Tooth Fairy. And especially when you have to face the new and addictive music that has entered Discworld. It's lawless. It changes people. It's got a beat and you can dance to it. It's called Music With Rocks In. And it won't fade away. \_\_\_\_\_ The Discworld novels can be read in any order but Soul Music is the third book in the Death series.

All is not well in Ankh-Morpork Opera House. A ghost stalks the corridors, leaving strange letters for the management and killing people. Granny Weatherwax and Nanny Ogg, two Lancre witches, investigate. This is an adaptation of Terry Pratchett's Discworld novel, Maskerade.

THE BOOK BEHIND THE AMAZON PRIME/BBC SERIES STARRING DAVID TENNANT, MICHAEL SHEEN, JON HAMM AND BENEDICT CUMBERBATCH 'Ridiculously inventive and gloriously funny' Guardian What if, for once, the predictions are right, and the Apocalypse really is due to arrive next Saturday, just after tea? It's a predicament that Aziraphale, a somewhat fussy angel, and Crowley, a fast-living demon, now find themselves in. They've been living amongst Earth's mortals since The Beginning and, truth be told, have grown rather fond of the lifestyle and, in all honesty, are not actually looking forward to the coming Apocalypse. And then there's the small matter that someone appears to have misplaced the Antichrist . . . \_\_\_\_\_ What readers are saying about Good Omens: \*\*\*\*\* 'A superb recipe for disaster. I didn't stop grinning from beginning to end.' \*\*\*\*\* 'Both Gaiman and Pratchett are great authors and they complement each other brilliantly' \*\*\*\*\* 'Superbly enjoyable read. Seamlessly co-written.'

Pagans tackle the Knights of St John with terrible consequences in the new medieval thriller by Queen of the Dark Ages, Karen Maitland. Set on the wilds of Dartmoor, this is a ghostly tale for fans of The Essex Serpent, C. J. Sansom's Shardlake series and The Burning Chambers by Kate Mosse. 'A dark read... fear and hysteria are portrayed with claustrophobic skill' The Times on THE PLAGUE CHARMER 1316. On the wilds of Dartmoor stands the isolated Priory of St Mary, home to the Sisters of the Knights of St John. People journey from afar in search of healing at the holy well that lies beneath its chapel. But the locals believe Dartmoor was theirs long before Christianity came to the land. And not all who visit seek miracles. When three strangers reach the moor, fear begins to stir as the well's waters run with blood. What witchcraft have the young woman, the Knight of St John and the blind child brought with them? The Sisters will need to fight for everything they hold dear as the ghosts of the Old World gather in their midst.

Not only an artistic and breathtaking view of Lancre but also an interesting and informative guide to one of the Discworld's more, er, picturesque kingdoms. Granny Weatherwax, Nanny Ogg and Magrat Garlick live there. Lancre could hardly be somewhere ordinary, could it? Magic glues the Discworld to-

gether and a lot of it ends up in Lancre, principal Kingdom of the Ramtop Mountains. Between Uberwald and Whale Bay, the Octarine Grass Country and the Windersins Ocean lies the most exciting and dangerous terrain in all Discworld. The Ramtops supply Discworld with most of its witches and wizards. The leaves on the trees move even when there is no breeze. Rocks go for a stroll in the evening. Even the land, at times, seems alive. The mapp may be only two-dimensional, but watch it very carefully and you might just see it jostle about a bit.

A brand-new street directory of Discworld city Ankh-Morpork complete with a beautifully illustrated pull-out map. 'There's a saying that all roads lead to Ankh-Morpork. And it's wrong. All roads lead away from Ankh-Morpork, but sometimes people just walk along the wrong way.' Ankh-Morpork! City of One Thousand Surprises (according to the famous publication by the Guild of Merchants)!

Terry Pratchett is one of the most loved writers in the world. With worldwide sales of over 65 million copies in 37 languages, his novels are eagerly awaited by his legions of fans year after year. His first Discworld novel, The Colour of Magic was released in 1983 and ever since then the series, with its whimsical heroes and fiendish foes.

A new stage adaptation of one of Pratchett's best-selling novels The Discworld's most inept wizard has been sent from Unseen University in Ankh-Morpork to the oppressive Agatean Empire to help some well-intentioned rebels overthrow the Emperor. He's assisted by toy-rabbit-wielding rebels, an army of terracotta warriors, a tax gatherer and a group of seven very elderly barbarian heroes lead by Cohen the Barbarian. Opposing him, though, is the evil and manipulative Lord Hong and his army of 750,000 men. Oh...Rincewind is also aided by Twoflower - Discworld's first tourist and the author of a subversive book, about his visit to Ankh-Morpork, which has inspired the rebels in their struggle for freedom. The book is called "What I Did On My Holidays". "One of the funniest authors alive" Independent

The sixth "Discworld" novel. The witches of Discworld, not the most joyful bunch, decide that they must get involved in the politics of the planet. Granny Weatherwax, their obvious choice as spokesperson, finds that life in royal politics is not as simple as it seems.

Terry Pratchett in his own words With a foreword by Neil Gaiman Terry Pratchett earned a place in the hearts of readers the world over with his bestselling Discworld series - but in recent years he became equally well-known as an outspoken campaigner for causes including Alzheimer's research and animal rights. A Slip of the Keyboard brings together the best of Pratchett's non fiction writing on his life, on his work, and on the weirdness of the world: from Granny Pratchett to Gandalf's love life; from banana daiquiris to books that inspired him; from getting started as a writer to the injustices that he fought to end. With his trademark humour, humanity and unforgettable way with words, this collection offers an insight behind the scenes of Discworld into a much loved and much missed figure - man and boy, bibliophile and computer geek, champion of hats, orang-utans and the right to a good death.

Jeremy can hear voices. But when he admits this, the townspeople of Never Better treat him like an outsider. Life has been tough after his mother left and his father became a recluse, but one voice in particular proves his salvation: the voice of the ghost of Jacob Grimm. Jacob watches over Jeremy, protecting him from an unknown dark evil whispered about in the space between this world and the next. But when a provocative local girl Ginger takes an interest in Jeremy (and his unique abilities), a heartbreaking chain of events is put into motion. And as anyone familiar with the Grimm Brothers know, not all fairy tales have happy endings. . .

'You can't go around building a better world for people. Only people can build a better world for people. Otherwise, it's just a cage.' There's power in stories. The Fairy Godmother is good. The servant girl marries the Prince. Everyone lives happily ever after . . . don't they? The witches Granny Weatherwax, Nanny Ogg and Magrat Garlick are travelling to far-distant Genua to stop a wedding and save a kingdom. But how do you fight a happy-ever-after, especially when it comes with glass slippers and a power-hungry Fairy Godmother who has made Destiny an offer it can't refuse? It's hard to resist a good story, even when the fate of the kingdom depends on it . . . 'No one mixes the fantastical and mundane to better comic effect' Daily Mail 'One of our greatest fantasists, and beyond a doubt the funniest' George RR Martin Witches Abroad is the third book in the Witches series, but you can read the Discworld novels in any order.

Interesting Timesis the brilliant new collection of satirical sketches of contemporary political life by Britain's greatest living cartoonist, The Times's Peter Brookes. Brookes, multiple winner of the British Press Awards Cartoonist of the Year, here showcases the stand-out pieces from his opinion-page cartoons in The Times, up to the minute and breathtaking in their bite and wit. Peter Brookes subjects our political masters to the most brutal of roastings, satirising those who profess to lead us, and holding the mighty to account. Always hilarious and beautifully crafted, these cartoons, which will include his take on the 2016 EU referendum and the 2017 General Election, are sumptuous evidence of a contemporary genius at work.

The Opera House, Ankh-Morpork: a huge rambling building, where innocent young sopranos are lured to their destiny by a strangely familiar evil mastermind in a hideously deformed evening dress. But Granny Weatherwax is in the audience, and she doesn't hold with that sort of thing. So there's going to be trouble (but nevertheless a good evening's entertainment with murders you can really hum.)

For use in schools and libraries only. Hank the Cowdog is head of Ranch Security in this action-packed adventure series that will tickle funny bones of adults and children alike.

This book explores online fan spaces in search of "Janeites" all over the world to discover what fans are making, how fans are sharing their work, and why it matters that so many women and nonbinary individuals find a haven not only in Jane Austen, but also in Jane Austen fandom. In relatable chapters based on firsthand experience, the authors explore how Austen fandom has and continues to build communities around women, people of color, and the LGBTQ+ community.

Kaerion Whitehart was once a mighty paladin, but sins of the past have cast him far from the light. Together with an elf mercenary, he now survives by the might of his sword alone. In exchange for a hefty purse, the two friends agree to accompany a band of patriots into a tomb haunted by fear and legend. They soon find the mission growing beyond their control. As warring factions vie for the ultimate prize of a long-dead wizard, Kaerion finds himself caught between death and redemption.

Do you believe in magic? Can you imagine a war between wizards, a rebellious ant called 4179003, or a time-travelling television? Can you imagine that poor old Mr Swimble could see a mysterious vacuum cleaner in the morning, and make cheese sandwiches and yellow elephants magically appear by the afternoon? Welcome to the wonderful world of Sir Terry Pratchett, and fourteen fantasti-

cally funny tales from the master storyteller. Bursting from these pages are food fights, pirates, bouncing rabbits and magical pigeons. And a witch riding a vacuum cleaner, of course. 'One of the most consistently funny writers around' Guardian

For the translator, intertexts are among chief problems posed by the source text. Often unmarked typographically, direct or altered, not necessarily well-known and sometimes intersemiotic, quotations and references to other writings and culture texts call for erudition and careful handling, so that readers of the translation stand a chance of spotting them, too. For the reader, the rich intertextuality of Terry Pratchett's Discworld series is among its trademark features. Consequently, it should not be missed in translations whose success thus depends significantly on the quality of translation of the intertexts which, as is highlighted here, cover a vast and varied range of types of original texts. The book focuses on how to deal with Pratchett's intertexts: how to track them down, analyse their role, predict obstacles to their effective translation, and suggest translation solutions - complete with a discussion of the translation of selected intertextual fragments in the Polish version, *Świat Dysku*, a concise overview of intertextual theories, and an assessment of the translator's work.

'I'll be more enthusiastic about encouraging thinking outside the box when there's evidence of any thinking going on inside it.' The most quotable writer of our time, Terry Pratchett's unique brand of wit made him both a bestseller and an enduring, endearing source of modern wisdom. This collection is filled with his funniest and most memorable words about life, the universe and snoring.

Conan the Cimmerian: the boy-thief who became a mercenary, who fought and loved his way across fabled lands to become King of Aquilonia. Neither supernatural fiends nor demonic sorcery could oppose the barbarian warrior as he wielded his mighty sword and dispatched his enemies to a bloody doom on the battlefields of the legendary Hyborian age. Collected together in one volume for the very first time, in chronological order, are Robert E. Howard's tales of the legendary hero, as fresh and atmospheric today as when they were first published in the pulp magazines of more than seventy years ago. Compiled by and with a foreword and afterword by award-winning writer and editor Stephen Jones.

\*The final collection of short stories from the incredible Sir Terry Pratchett!\* Imagination is an amazing thing. It can take you to the top of the highest mountain, or down to the bottom of the deepest depths of the sea. This where it took Doggins on his Awfully Big Adventure: a quest full of magic and flying machines. (And the world's best joke - trust me, it's hilarious.) It took three young inventors to the moon (where they may or may not have left a bottle of lemonade) and a caveman on a trip to the dentist. You can join them on these adventures, and many more, in this incredible collection of stories . . . From the greatest imagination there ever was. Written for local newspapers when Terry Pratchett was a young lad, these never previously published stories are packed full of anarchic humour and wonderful wit. A must-have for Terry fans . . . and young readers looking for a fix of magic. Digging up the remains of an ancient band of Vikings, archaeologist Hildy is astounded when they rise from the dead, bearing an appetite for seagulls, a twelve-thousand-year-old grudge, and a thirst for war.

This collection includes all four Tiffany Aching novels in Terry Pratchett's beloved and bestselling Discworld series. The Wee Free Men: Armed with only a frying pan and her common sense, young witch-to-be Tiffany Aching must defend her home against the monsters of Fairyland. Luckily she has some very unusual help: the local Nac Mac Feegle—aka the Wee Free Men—a clan of fierce, sheep-stealing, sword-wielding, six-inch-high blue men. Together they must face headless horsemen, ferocious grimhounds, terrifying dreams come true, and ultimately the sinister Queen of the Elves herself. . . . A Hat Full of Sky: Tiffany Aching is ready to begin her apprenticeship in magic. She expects spells and magic—not chores and ill-tempered nanny goats! Surely there must be more to witchcraft than this! What Tiffany doesn't know is that an insidious, disembodied creature is pursuing her. In the end, it will take all of Tiffany's inner strength to save herself . . . if it can be done at all. Wintersmith: When the Spirit of Winter takes a fancy to Tiffany Aching, he wants her to stay in his gleaming, frozen world. Forever. It will take the young witch's skill and cunning, as well as help from the legendary Granny Weatherwax and the irrepressible Wee Free Men, to survive until Spring. Because if Tiffany doesn't make it to Spring—Spring won't come. I Shall Wear Midnight: As the witch of the Chalk, Tiffany Aching performs the distinctly unglamorous work of caring for the needy. But someone—or something—is inciting fear, generating dark thoughts and angry murmurs against witches. Tiffany must find the source of unrest and defeat the evil at its root. Aided by the tiny-but-tough Wee Free Men, Tiffany faces a dire challenge, for if she falls, the whole Chalk falls with her. . . .

A collection of Terry Pratchett's short works, fiction and non-fiction, with annotations by Pratchett and by the editors.

Includes "The Colour of Magic", "The Light Fantastic", "Sourcery" and "Eric".

'Some people would be asking: whose side are you on? If you're not for us, you're against us. Huh. If you're not an apple, you're a banana' Koom Valley, the ancient battle where the trolls ambushed the dwarfs, or the dwarfs ambushed the trolls, was a long time ago. But if he doesn't solve the murder of just one dwarf, Commander Sam Vimes of Ankh-Morpork City Watch is going to see it fought again, right outside his office. With his beloved Watch crumbling around him and war-drums sounding, he must unravel every clue, outwit every assassin and brave any darkness to find the solution. And darkness is following him. Oh . . . and at six o'clock every day, without fail, with no excuses, he must

go home to read 'Where's My Cow?', with all the right farmyard noises, to his little boy. There are some things you have to do.

This collection includes all five Tiffany Aching novels in Terry Pratchett's beloved and bestselling Discworld series, including the final Discworld novel, *The Shepherd's Crown*. The Wee Free Men: Armed with only a frying pan and her common sense, young witch-to-be Tiffany Aching must defend her home against the monsters of Fairyland. Luckily she has some very unusual help: the local Nac Mac Feegle—aka the Wee Free Men. A Hat Full of Sky: Tiffany Aching is ready to begin her apprenticeship in magic. She expects spells and magic—not chores and ill-tempered nanny goats! Surely there must be more to witchcraft than this! Indeed, there is. . . . Wintersmith: When the Spirit of Winter takes a fancy to Tiffany Aching, he wants her to stay in his gleaming, frozen world. Forever. It will take the young witch's skill and cunning, as well as help from the legendary Granny Weatherwax and the irrepressible Wee Free Men, to survive until Spring. I Shall Wear Midnight: As the witch of the Chalk, Tiffany Aching performs the distinctly unglamorous work of caring for the needy. But someone—or something—is inciting fear, generating dark thoughts and angry murmurs against witches. Tiffany must find the source of unrest and defeat the evil at its root, for if she falls, the whole Chalk falls with her. . . . The Shepherd's Crown: Deep in the Chalk, something is stirring. The owls and the foxes can sense it, and Tiffany Aching feels it in her boots. An old enemy is gathering strength. This is a time of endings and beginnings, old friends and new, a blurring of edges and a shifting of power. Now Tiffany stands between the light and the dark, the good and the bad. There will be a reckoning. . . .

It's the night before Hogswatch. And it's too quiet. Superstition makes things work in the Discworld, and undermining it can have consequences. It's just not right to find Death creeping down chimneys and trying to say 'Ho Ho Ho...' It's the last night of the year, the time is turning, and if Susan, gothic governess and Death's granddaughter (sort of), doesn't sort everything out by morning, there won't be a morning. Ever again... Adapted by Terry Pratchett's long-time collaborator Stephen Briggs, this play text version of Pratchett's bestselling Discworld novel *Hogfather* wittily and faithfully reimagines the story for the stage.

A short but perfectly formed complete Discworld novel, fully illustrated in lavish colour throughout, *THE LAST HERO* is an essential part of any Discworld collection. It stars the legendary Cohen the Barbarian, a legend in his own lifetime. Cohen can remember when a hero didn't have to worry about fences and lawyers and civilisation, and when people didn't tell you off for killing dragons. But he can't always remember, these days, where he put his teeth... So now, with his ancient sword and his new walking stick and his old friends - and they're very old friends - Cohen the Barbarian is going on one final quest. He's going to climb the highest mountain in the Discworld and meet his gods. The last hero in the world is going to return what the first hero stole. With a vengeance. That'll mean the end of the world, if no one stops him in time.

'They say that the way to a man's heart is through his stomach which just goes to show they're as confused about anatomy as they gen'rally are about everything else, unless they're talking about instructions on how to stab him, in which case a better way is up and under the ribcage. Anyway, we do not live in a perfect world and it is foresighted and useful for a young woman to become proficient in those arts which will keep a weak-willed man from straying. Learning to cook is also useful.' Nanny Ogg, one of Discworld's most famous witches, is passing on some of her huge collection of tasty and above all interesting recipes, since everyone else is doing it. But in addition to the delights of the Strawberry Wobbler and Nobby's Mum's Distressed Pudding, Mrs Ogg imparts her thoughts on life, death, etiquette ('If you go to other people's funerals they'll be sure to come to yours'), courtship, children and weddings, all in a refined style that should not offend the most delicate of sensibilities. Well, not much. Most of the recipes have been tried out on people who are still alive. Nanny Ogg Gratefully Acknowledges the Assistance in this Literary Argosy of: Mr Terry Pratchett, Mr Stephen Briggs, Mlle Tina Hannan and Master Paul Kidby.

'Inside every living person is a dead person waiting to get out.' Death has been fired by the Auditors of Reality for the heinous crime of developing . . . a personality. Sent to live like everyone else, Death takes a new name and begins working as a farmhand. He's got the scythe already, after all. And for humanity, Death is just . . . gone. Which leads to the kind of chaos you always get when an important public service is withdrawn. If Death doesn't come for you, then what are you supposed to do in the meantime? You can't have the undead wandering about like lost souls - there's no telling what might happen. Particularly when they discover that life really is only for the living . . . 'One taste, and you'll scour bookstores for more! Daily Mail Reaper Man is the second book in the Death series, but you can read the Discworld novels in any order.

Fifteen-year-old Tiffany Aching, the witch of the Chalk, seeks her place amid a troublesome populace and tries to control the ill-behaved, six-inch-high Wee Free Men who follow her as she faces an ancient evil that agitates against witches.

Fifteen-year-old Billie has lived with her dad in their little flat for as long as she can remember, but all that's about to change. She's got big plans - get Dad a job, sort out her grades, and live in a house with five bathrooms. But one reckless night threatens to undo all her hard work and derail her ambitions... When it's always been just the two of you, how easy is it to get out, or to let anyone else in? *You's Two* is Georgia Christou's debut play. It was shortlisted for the Verity Bargate Award.
