### Mathematics for Economists by Carl P. Simon and Lawrence E ...

The ,oq cial™ textbook of the course is Simon, C. and L. Blume, Mathematics for Econo-mists, (W.W. Norton, London 1994). This book is somewhat basic by the standards of modern graduate economics courses, but is well written and organized, and touches on most of the important topics. As such, it is probably worth owning as a reference book.

### Mathematics For Economists
