Medicinal Plants Phytochemistry Pharmacology And ...

Journal of Pharmacognosy and Phytochemistry is an official publication of the Society of Pharmacognosy and Phytochemistry (Registration no. S/2042/SDM/NW/2014). One can visit the society website through this url: www.phytochemistrysociety.com. It is an international peer-reviewed journal published bimonthly.

Journal of Pharmacognosy and Phytochemistry

The field of pharmacognosy (from the Greek *pharmacon* for medicine and *gnosis* for knowledge) is the study of the definition, description and phytochemistry of natural drugs (typically medicinal plants or preparations derived from them). In fact, the term drug is derived from the old French word *drogue*, meaning to dry, referring originally to dried herbs. These days the application of pharmacognosy often extends to knowledge about the pharmacology of medicinal plants, and in some circles the ...
