Find helpful customer reviews and review ratings for Men At Arms: (Discworld Novel 15) (Discworld series) at Amazon.com. Read honest and unbiased product reviews from our users.

Although Men at Arms isn't as consistently funny as his earlier novels, the dialogue is hilarious, and Pratchett's take on affirmative action is a whole lot of fun. There's not a lot of rational narrative cause-and-effect here, but it doesn't really matter.
