## EJ6IWD - EMMALEE SAWYER

~~MGMA 2015 Academic Practice Compensation and Production ...~~

A "compensation pool" is equal to the total practice revenues net of practice overhead expenses. Such plans generally treat practice overhead as a cost of doing business that is borne by the group as a whole and not allocated to individual physicians (with the potential exception of physician-specific direct expenses).

~~2020 MGMA Provider Compensation and Production is based on 2019 data and reflects information prior to COVID-19 that continues to affect practices in 2020. The reported data is a baseline for benchmarking 2020 operations. Moving forward, MGMA will consider adjusting the data collection to capture the new norm of medical practice operations.~~
