Midnight for Charlie Bone In the first novel, 10-year-old Charlie Bone discovers that he has a special power. After accidentally encountering a photograph of a missing baby, Charlie begins to hear

the voices of people in photographs. He discovers that he is a descendant of the Red King, who was an ancient magician.

Charlie and his friends are back in danger, and the balance of power between the Children of the Red King has never been more dangerous. In a dark laboratory deep within Bloor's Academy, Manfred and Ezekiel are brewing up a very nasty kind of trouble for Charlie Bone...The fifth fantastic story in the Charlie Bone series, from acclaimed author Jenny Nimmo.

"Midnight for Charlie Bone" was a good first book in what looks like a promising series. Comparisons with Harry Potter are inevitable but the book should be judged on it's own merit and it's not bad at all. Charlie is a strong character, a good friend to misfit Benjamin, and his struggles with his newly developed powers are very real.

*Midnight for Charlie Bone: Children of the Red King #1 ...*

Midnight for Charlie Bone is about ten year old Charlie Bone as he

starts to notice strange things happening to him. Charlie gets asked by a book store owner Julia Ingledew to find her long lost niece that her brother had traded for a strange case; this case was given to Charlie along with this seemingly impossible task of finding the lost girl as well as finding out about his special power.
