Censorship in Polish Art After 1989 is a pioneering work on censorship in Polish art after the fall of the USSR available in English for the first time with a skilled translation by Lukasz Mojsak. Polish Art Historian Jakub Dabrowski, with contributions from Anna Demenko, offers the first comprehen-

sive study to analyze the problems of restricting the freedom of artistic expression in the Third Polish Republic. The book includes two complementary approaches - legal and historical (including political and social aspects of the phenomenon). Based on the collected factographic material, Dabrowski captures the characteristic qualitative and quantitative characteristics of the phenomenon studied in time. He enters his considerations in a wider social, political, artistic and media context, at the same time pointing to symbolic breakthroughs, precedents, sequences or correlations of events.

The manga tie-in to Disney's phenomenally successful sequel, *Frozen 2! An Adventure North...* Why was Elsa born with magical powers? The answer is calling her and threatening her kingdom. "Visions of Giovanna is a collection of stories by Italian cartoonist Giovanna Casotto who loves exposing herself as the main character of her graphic stories. With a pervasive enthusiasm that brings heights of joy to page-bound character and flesh-and-blood reader alike, her stories not only satisfy on a purely physical level, but are also short character studies focusing on the subtle aspects of the sexual encounter.

A group of young people get closer and closer, experiencing some mind-blowing explorations in sexuality and relationships. Beautifully hot and intense and also very heartfelt writing as the best-selling Gambodotti does not fail to provide.

Collects Spider-Gwen (2015B) #24-29. What's the next evolutionary step for Gwen Stacy, Spider-Woman? Would you believe a Gwenom?! Gwen's life irrevocably changes as she bonds with her universe's version of the Venom symbiote. What does this change mean for her relationship with crime kingpin Matt Murdock?

With her father? With the Osborns?! Is any relationship in Gwen's life safe? It's Spider-Gwen like you've never seen her before and this time, there's no easy fix! The police and S.H.I.E.L.D. are after her and giving in to the symbiote's power may be her only hope! But is saving her skin worth losing herself? Because Venom has a way of turning spider-powered hosts against their allies like Captain America! And when Cap comes calling to find out what's gotten into Gwen, a friendly check-in turns into a no-holds-barred back-alley brawl!

The characters in this highly erotic graphic novel are more than just room-mates, much more. Readers will be amazed at just how quickly they swap between themselves and they're not afraid to share with others at parties either. Gorgeous full colour artwork with a knack for depicting irresistibly sweet chicas.

BDSM fantasy comix. Celine is a horny young woman who's looking for a real man... and finds one, a Master who turns her into a full time slave. He binds her, torments her, and uses her... and she discovers that she loves it. He sends her to a special "beauty salon" for a kinky makeover.

Then he rents her out to swinging couples and sends her to a sex shop to trade her services for kinky toys. Finally, he sells her to a depraved couple (whose twisted tastes we'll probably see in her next adventure). These are sexy comix from Europe, explicitly rendered, leaving nothing to the imagination.

A young man returns home to his family's estate after a long mission at sea. Imagine his shock (well, more amazed stroke of luck) to find three young women enjoying an impromptu sleep-over, exchanging sexy stories of recent erotic adventures. Hey, it could happen! At least in the world Norberto Serrano creates in this richly detailed and beautifully illustrated tale of torrid love and unbridled passion! A superheated collection of carnal pleasures, in VERY graphic form!

This book addresses the criminalisation of sexually explicit material depicting or describing fictitious characters who appear to be children. It is the first book of its kind to specifically examine the expansion of the law to include fictional representations of children, focusing on the law in Australia, Canada, the United Kingdom, and the United States. The author explores the

potential criminalisation of comics and sub-genres of manga that frequently depict childlike characters in a sexual context. Of course, the need to protect children from harm outweighs freedom of expression and the right to privacy; however, this argument is complicated by the material being purely fictional. Does prohibiting the fictional representation of minors interfere with individual freedoms? Based on a detailed socio-legal study, this book extensively analyses literature and pertinent theories of criminalisation, such as the Harm Principle, Offense Principle, and Legal Moralism. The book will be an invaluable resource for academics and students in vari-

ous disciplines, including law, criminology, sociology, and psychology. It will also be of interest to fans of fantasy fiction.
