This workbook provides practice in fifth-grade mathematics skills. Emphasis is placed on addition and subtraction of fractional numbers and mixed numbers. Practice is also provided in the four arithmetic operations with whole numbers, in multiplication and division of fractional numbers, in addition and subtraction of decimal fractions, and in solving word problems. The material correlates with the curriculum in most basic mathematics texts. The pages are presented in a suggested order, but may be used in any order which best meets a child's needs. Parents who wish their children to have practice in mathematics skills will find the book as helpful as classroom teachers will find it. The exercises are presented so that a child can work with a minimum of supervision. Answers are included in a four-page leaflet in the middle of the book. This leaflet can be easily removed. A glossary is available for reference on the inside back cover.

Provides extra classroom practice, homework, or independent learning when in-class participation is not possible. Feature two pages of exercises for each lesson in the student book, grammar charts and an answer key, practice reading and interpreting real-life documents.

Complete PET combines the very best in contemporary classroom practice with stimulating topics aimed at teenagers and young adults.

A six-level four-skills, standards-based, integrated-skills series that empowers students to achieve

their academic and career goals.

"The course is designed to maximise the performance of school-age learners. It features eight units covering the core topics, vocabulary, grammar and skills needed for all four exam papers for the revised Cambridge English: First (FCE) for Schools exam from 2015. Two teen-inspired topics in each unit ensure the entire exam syllabus is covered, and can also act as a basis for CLIL-based extension activities and projects. Grammar sections and a Grammar Reference help students build up the accurate language structure necessary for the Use of English parts of the new Reading and Use of English paper, while B2-level vocabulary is targeted, drawing on insights from English Profile, and brought together in a Wordlist based on key vocabulary from the units. 'Exam tips', and grammar and vocabulary exercises teach students to avoid common mistakes identified in Cambridge's

unique collection of real exam papers, the Cambridge Learner Corpus."--Publisher description.
