Morris Commercial Cars - Wikipedia

Between 1924 to 1968, Morris Commercial Cars manufactured a total of 85 different types of vehicles, making it one of the main commercial vehicle providers in the UK. From light car-derived commercial vehicles to large multi-ton vans, heavy lorries, pick-up trucks, tipper trucks, single and double-decker buses, six-wheelers, tractors, taxicabs, ambulances and fire engines.

History Of Morris Commercial

The iconic name will lend itself to an all-electric commercial vehicle. One of Britain's most iconic commercial vehicles is returning with a distinctly 21st century twist. Morris Commercial, a Worcestershire-based start-up firm, is resurrecting the Morris J-Type as the Morris JE – an all-electric van that is inspired by the 1948 original, but is far from being merely a replica.
