Mothering Sunday The Most Heart Mothering Sunday Wishes | What You Mean To Us

This book was a Mothering Sunday gift from by son and what a fantastic book!

Rosie Goodwin has been one of my favourite authors for a while, and this story is one of her best. The story is about a girl called Sunday, who was left on the steps of Nuneaton workhouse in 1870.

Beginning with an intimate assignation and opening to embrace decades, Mothering Sunday has at its heart both the story of a life and the life that stories can magically contain. Constantly surprising, joyously sensual and deeply moving, it is Graham Swift at his thrilling best.
