My Dad's Moto Morini now finished and ready for the road

1974 Moto Morini 3 1/2 Sport A Lovely example of the rare and very early type of Morini "Double Drum" Sport with the desirable Grimeca front and rear drum brakes which were only on the 74 and 75 models. Also features the correct early style (and more attractive) tank and side panels along with the rounded hump seat.

The history of Moto Morini continues and the myth has remained intact, in the memories of those who dreamed about riding the 3 1/2, driven by the V-Twin 72° longitudinal engine designed by Franco Lambertini, and those whom today can enjoy the indomitable character of the Bialbero 1200 CorsaCorta, designed by the same engineer who set out to bring back some

of the concepts of the historic engine.

The Pirelli tyres for the MOTO MORINI 3 1/2 VS are a perfect marriage of technology and innovation, made with a special tread compound that can tackle any weather condition without hesitation. His first 350cc engine, a longitudinal 72-degree V-twin, featured a toothed belt driving the camshafts and a multi-disk dry clutch. The engine made its way into a new prototype motorcycle, which debuted at the Milan show in 1971, and the now famous 3 1/2 Sport was born. This beautiful example has been faithfully restored using NOS and refurbished original parts, and is presently located with our Italian agent.
