Foot control motors are probably the most popular method of control for anglers using medium to larger sized boats. The biggest advantage for foot controlled models is they are hands-free. For fishing, this is a huge advantage and allows you to focus more on presentation and retrieval rather than having to constantly set down the rod to maneuver the boat.

### **2020 Trolling Motor Buyer's Guide | Trolling Motors ...**

That dream of owning, maintaining and using your own boat without great expense can now become a reality with the help of the Haynes Motor Boat Manual. It's true that motor boating isn't the cheapest of leisure activities, but the aim of this book is to help you find affordable ways to get afloat by minimising the costs of buying, equipping and maintaining a

boat.
