If you'd like to earn "Multiple Streams of Property Income" in the shortest possible (yet realistic) timeframe, and if you'd like to earn recurring, passive income from all 4 income 'Quarters', and if you'd like to set up simple systems to 'set and forget' each income stream to allow them to compound year on year, then this book is for you.

The problem with rental property is that initial capital outlay required to get started. Most people starting to diversify their income streams don't have a 20% down payment to purchase an income property. That is why this is usually something that is done later in life, almost like an advance multiple income stream topic.

At the Multiple Streams of Property Income event you'll hear from other property investors who are experts in buy-to-let, property trading, raising finance and other ways of building a property portfolio from scratch into a multi-million pound business.

Creating multiple streams of income is a wealth-building system that has some advantages and disadvantages. The desirable characteristic of multiple streams of income is it can diversify your passive income into non-correlated streams. When something goes wrong with one stream, your lifestyle and freedom are never at risk.
