New York: A Documentary Film is an eight-part, 17½ hour, American documentary film on the history of New York City. It was directed by Ric Burns and originally aired in the U.S. on PBS. The film was a production of Steeplechase Films in association

with WGBH Boston, Thirteen/WNET, and The New-York Historical Society.

A DVD documentary is a documentary film of indeterminate length that has been produced with the sole intent of releasing it for direct sale to the public on DVD(s), as different from a documentary being made and released first on television or on a cinema screen (a.k.a. theatrical release) and subsequently on DVD for public consumption.

Documentaries have been around since the dawn of film, more than 120 years ago. Prior to 1900, documentaries were simply a way of capturing a moment on film, simple things like a boat docking or a train pulling into a station. Two French brothers Auguste and Louis Lumiere shot many of these short films,...

### **A new history of documentary film (Book, 2012) [WorldCat.org]**

Documentary Film is a broad category of visual expression that is based on the attempt, in one fashion or another, to document reality. Knowledge comes in different ways through our five senses. Hearing, watching, touching, smelling and tasting are the only doorways to the outer world.

### **Top Documentary Films - Watch Free Documentaries Online**

Documentary Films strictly speaking, are non-fictional, "slice of life" factual works of art - and sometimes known as cinema verite. For many years, as films became more narrative-based, documentaries branched out and took many forms since their early beginnings - some of which have been termed propagandistic or non-objective.
