Sources for Studying the Holocaust provides a pathway for readers to engage with questions about what sources can be used to study the Holocaust. For many historians, the challenge has been how to rescue the story from oblivion when oft-used sources for other periods of history introduce even more issues around authenticity and reliability. What can be learned of what transpired in villages and towns numbering several thousand people, when all its Jewish inhabitants were totally obliterated through Nazi action? Who can furnish eyewitness testimony, if all the

eyewitnesses were killed? How does one examine written records preserving knowledge of facts or events, where none were kept or survived the onslaught? And what weight do we put upon such resources which did manage to endure the destruction wrought by the Holocaust? Each chapter looks at one of a diverse range of source materials from which scholars have rescued the history, including survivor testimony, diaries, letters, newspaper accounts, photographs, trial documents, artefacts, digital resources, memorials, films, literature, and art. Each chapter shows how different types of records can be utilised as accurate sources for the writ-

ing of Holocaust history. Collectively, they highlight the ways in which all material, even the most fragmentary, can be employed to recreate a reliable record of what happened during the Holocaust and show how all sources considered can be employed to find meaning and understanding by exploring a range of sources deeply. This book is a unique analysis of the types of sources that can be used to access the history of Holocaust. It will be of invaluable interest to readers, students, and researchers of the Holocaust.

Now in paperback, Wiesel's newest novel "reminds us, with force, that his writing is alive and

strong. The master has once again found a startling freshness.”—*Le Monde des Livres* A European expatriate living in New York, Doriel suffers from a profound sense of desperation and loss. His mother, a member of the Resistance, survived World War II only to die soon after in France in an accident, together with his father. Doriel was a hidden child during the war, and his knowledge of the Holocaust is largely limited to what he finds in movies, newsreels, and books. Doriel’s parents and their secrets haunt him, leaving him filled with longing but unable to experience the most basic joys in life. He plunges into an intense study of Judaism, but instead of finding solace, he comes to believe that he is possessed by a dybbuk. Surrounded by ghosts, spurred on by demons, Doriel finally turns to Dr. Thérèse Goldschmidt, a psychoanalyst who finds herself particularly intrigued by her patient. The two enter into an uneasy relationship based on exchange: of dreams, histories, and secrets. And despite Doriel’s initial resistance, Dr. Goldschmidt helps bring him to a crossroads—and to a shocking denouement. “In its own

high-stepping yet paradoxically heart-wracking way, [Wiesel’s novel] can most assuredly be considered beautiful (almost beyond belief).”—*The Philadelphia Inquirer*

Elie Wiesel has given hundreds of interviews. Yet his fame as a human rights advocate often directs such conversations toward non-literary issues. Indeed, many of Wiesel’s questioners barely address the writer’s role that has defined him since the 1950s. Unlike previous volumes in which he speaks with interviewers, *Elie Wiesel: Conversations* collects interviews which set in relief the writer at work. This book focuses on Wiesel the literary artist instead of Wiesel the Holocaust survivor or the 1986 Nobel Peace Prize laureate. Beyond highlighting Wiesel’s literary significance, these interviews also correct many faulty assumptions about his achievement. Few American readers know that he writes in French, that he has been favorably compared to Andr Malraux and Albert Camus. Not many realize that the Holocaust has been the subject of only a few of his forty books. Particularly in his nonfiction, Wiesel’s scope is wide, addressing Jewish life in all its reli-

gious and historical complexity. Though most of Wiesel’s books do not focus on the Holocaust, they are written against the backdrop of what he has come to term “The Event.” Always, the presence of Auschwitz can be felt, always the author “lives in the shadows of the flames that once illuminated and blinded him.” These interviews are reminders that the writing life is both solitary and public, interior and social. The writer must venture beyond his study and speak out against the world’s traumas and outrages. Robert Franciosi is an associate professor of English at Grand Valley State University in Allendale, Mich. He is the editor of *Good Morning: A Holocaust Memoir*. His work has appeared in *American Poetry*, *Contemporary Literature*, *Modern Jewish Studies*, and the *William Carlos Williams Review*.

A Holocaust survivor's surprising and thought-provoking study of forgiveness, justice, compassion, and human responsibility, featuring contributions from the Dalai Lama, Harry Wu, Cynthia Ozick, Primo Levi, and more. While imprisoned in a Nazi concentration camp, Simon Wiesenthal was taken one day from his work detail to the bedside of a dying member of the SS. Haunted by the crimes in which he had participated, the soldier wanted to confess to--and obtain absolution from--a Jew. Faced with the choice between compassion and justice, silence and truth, Wiesenthal said nothing. But even years after the way had ended, he wondered: Had he done the right thing? What would you have done in his place? In this important book, fifty-three distinguished men and women respond to Wiesenthal's questions. They are theologians, political leaders, writers, jurists, psychiatrists, human rights activists, Holocaust survivors, and victims of attempted genocides in Bosnia, Cambodia, China and Tibet. Their responses, as varied as their expe-

riences of the world, remind us that Wiesenthal's questions are not limited to events of the past.

Elie Wiesel: Humanist Messenger for Peace is part biography and part moral history of the intellectual and spiritual journey of Elie Wiesel, a Holocaust survivor, human rights activist, author, university professor, and Nobel Peace Prize winner. In this concise text, Alan L. Berger portrays Wiesel's transformation from a pre-Holocaust, deeply God-fearing youth to a survivor of the Shoah who was left with questions for both God and man. An advisor to American presidents of both political parties, his nearly 60 books voiced an activism on behalf of oppressed people everywhere. The book illuminates Wiesel's contributions in the areas of religion, human rights, literature, and Jewish thought to show the impact that he has had on American life. Supported by primary documents about and from Wiesel, the volume gives students a gateway to explore Wiesel's incredible life. This book will make a great addition to courses on American religious or intellectual thought.

The Holocaust.

The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. In CliffsNotes on Wiesel's *Night*, you follow the humanistic first-person account of a teenage boy's incarceration by the Nazi Secret Service in World War II; his experiences in the Auschwitz and Buchenwald death camps; and his struggle to find meaning among the horror. Covering little more than a year of the young narrator's life, this study guide shares a story about endurance, loyalty, and faith — all nurtured by the strength of love. Other features that help you figure out this important work include Life and background of the author, Dr. Elie Wiesel A list of characters A historical timeline of Nazi Germany A review section that tests your knowledge and suggests essay topics A selected bibliography that leads you to more great resources Classic literature or modern-day treasure — you'll understand it all with expert information and insight from CliffsNotes study guides.

In this modern classic, a young journalist steps off a curb and into the path of a speeding taxi. Is it an

accident, or has a tormented past driven Eliezer, a German death camp survivor, to attempt suicide? Torn between choosing life and death, he must come to grips with the catastrophe that befell him, his family, his people. Written by a Holocaust survivor.

Don't want to read the actual book? Tired of reading super long reviews? This new study guide is perfect for you!! This study guide provides a short and concise review guide of *Night* by Elie Wiesel. The guide includes:

- A short summary of the entire novel
- The major themes and their relationship to the storyline
- A character guide with brief details on each role

Provides teaching strategies, background, and suggested resources; reproducible student pages to use before, during, and after reading--Cover.

From the lore of her people, the Sioux, Susan Power has forged a consummate work of the imagination. Set on a North Dakota reservation, "The Grass Dancer" creates a living mythology, spinning folk motifs into the fabric of reality, revealing how the actions of our ancestors can affect our contemporary lives.

A Study Guide (New Edition) for Elie Wiesel's "Night", excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust *Novels for Students* for all of your research needs."

Discusses the characters, plot and writing of *Night* by Elie Wiesel. Includes critical essays on the novel and a brief biography of the author.

An important work on the Holocaust by a concentration camp survivor.

Diary entries written by five Holocaust victims document the ordeals suffered in Nazi-occupied Lithuania, Hungary, Belgium, and Holland.

There are probably no two men of such stature who can speak to the Holocaust as Christian theologian Johann Baptist Metz, author of *A Passion for God* and Jewish writer, Nobel laureate and human rights activist, Elie Wiesel, author of *Night*. One was drafted into the German army at the age of fifteen; the other was interned at Auschwitz. Both came from upbringings of deep faith, only to have their lives broken by the horrors they witnessed during the war. Both share the sense that the Holocaust is a rift in history itself, after which nothing could ever be seen in the same way as before. Yet for both, there is hope ... "nonetheless."

A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. *Night* is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his own inno-

cence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work.

Teaching "Night" interweaves a literary analysis of Elie Wiesel's powerful and poignant memoir with an exploration of the relevant historical context that surrounded his experience during the Holocaust.

Elie Wiesel is a master storyteller with the ability to use storytelling as a form of activism. From his landmark memoir *Night* to his novels and numerous retellings of Hasidic legends, Wiesel's literature emphasizes storytelling, and he frequently refers to himself as a storyteller rather than an author or historian. In this work, essays examine Wiesel's roots in Jewish storytelling traditions; influences from religious, folk, and secular sources; education; Yiddish background; Holocaust experience; and writing style. Emphasized throughout is Wiesel's use of multiple sources in an effort to reach diverse au-

diences.

Three works deal with a concentration camp survivor, a hostage holder in Palestine, and a recovering accident victim.

Night, a memoir by concentration camp survivor and Nobel Peace Prize-winner Elie Wiesel, is a key work of Holocaust literature. It bears witness to the horrors endured by a teenage boy whose freedom and family are forcibly wrested from him. This new study guide to Wiesel's moving story also features an annotated bibliography, a listing of other works by the author, and an introduction by literary scholar Harold Bloom.

In Nazi-occupied Denmark, ten-year-old Annemarie Johansen is called upon for a selfless act of bravery to help save her best friend from a terrible fate. Winner of the Newbery Medal, newly reissued in the Essential Modern Classics range. "They plan to arrest all the Danish Jews. They plan to take them away. And we have been told that they may come tonight." It is 1943 and life in Copenhagen is becoming complicated for Annemarie. There are food shortages and curfews, and soldiers on every corner. But it is even worse for her Jewish best friend, Ellen, as the

Nazis continue their brutal campaign. With Ellen's life in danger, Annemarie must summon all her courage to help stage a daring escape. Inspired by true events of the Second World War, this gripping novel brings the past vividly to life for today's readers.

The narrative of a boy who lived through Auschwitz and Buchenwald provides a short and terrible indictment of modern humanity.

"The author...has built knowledge into artistic fiction." The New York Times Book Review Elisha is a young Jewish man, a Holocaust survivor, and an Israeli freedom fighter in British-controlled Palestine; John Dawson is the captured English officer he will murder at dawn in retribution for the British execution of a fellow freedom fighter. The night-long wait for morning and death provides Dawn, Elie Wiesel's ever more timely novel, with its harrowingly taut, hour-by-hour narrative. Caught between the manifold horrors of the past and the troubling dilemmas of the present, Elisha wrestles with guilt, ghosts, and ultimately God as he waits for the appointed hour and his act of assassination. Dawn is

an eloquent meditation on the compromises, justifications, and sacrifices that human beings make when they murder other human beings.

(Originally Published in 2000 by Allyn & Bacon) Teaching and Studying the Holocaust is comprised of thirteen chapters by some of the most noted Holocaust educators in the United States. In addition to chapters on establishing clear rationales for teaching this history and Holocaust historiography, the book includes individual chapters on incorporating primary documents, first person accounts, film, literature, art, drama, music, and technology into a study of the Holocaust. It concludes with an extensive and valuable annotated bibliography especially designed for educators. Chapter Ten instructs how to make effective use of technology in teaching and learning about the Holocaust. The final section of the book includes a bibliography especially developed for teachers that lists invaluable resources. From the Back Cover: Holocaust scholars from around the world offer critical acclaim for Totten and Feinberg's Teaching and Studying the Holocaust: Michael Berenbaum; Ida E. King Distinguished Visi-

tor Professor of Holocaust Studies, Richard Stockton College and Former Director of Research at the United States Holocaust Memorial Museum: "There are many scholars who are wont to criticize the teaching of the Holocaust. Many journalists critique what they regard as kitsch or trendiness. All critics of contemporary Holocaust education would do well to read this book. One cannot fail to be impressed by the quality of its learning and the seriousness of its purpose. It is a wonderful place for teachers to turn as they contemplate teaching the Holocaust, an open invitation to learn more and teach more effectively." Barry van Driel; Coordinator International Teacher Education, Anne Frank House, Amsterdam: "Teaching and Studying the Holocaust is an invaluable resource for any teacher wanting to address the complex and sometimes overwhelming history of the Holocaust in the classroom. The book offers a multitude of sensitive and responsible ways of dealing with the issue of the Holocaust. It succeeds in showing teachers very clearly how the study of the Holocaust is not just a topic for history teachers, but for teachers

across the curriculum." Dr. Nili Keren; Kibbutzim College of Education, Tel Aviv, Israel "Teaching about the Shoah is one of the most complicated tasks for educators. Indeed, teaching and studying this history raises unprecedented questions concerning modern civilization, and presents teachers and students with tremendous challenges. Samuel Totten and Stephen Feinberg have created a volume that provides educators with essential information and new insights regarding the teaching of this history, and, in doing so, they assist educators to face the aforementioned challenges head-on. Teaching and Studying the Holocaust does not make the task easier, but it does make it possible." Samuel Totten is currently professor of Curriculum and Instruction at the University of Arkansas, Fayetteville. Prior to entering academia, he was an English and social studies teacher in Australia, Israel, California, and at the U.S. House of Representatives Page School in Washington, D.C. Totten is also editor of *Teaching Holocaust Literature* published by Allyn & Bacon. Stephen Feinberg is currently the Special Assistant for Edu-

cation Programs in the National Institute for Holocaust Education at the United States Holocaust Memorial Museum. With Samuel Totten, he was co-editor of a special issue (*Teaching the Holocaust*) of *Social Education*, the official journal of the National Council for the Social Studies. For eighteen years, he was a history and social studies teacher in the public schools of Wayland, MA.

Insight Study Guides are written by experts and cover a range of popular literature, plays and films. Designed to provide insight and an overview about each text for students and teachers, these guides endeavor to develop knowledge and understanding rather than just provide answers and summaries.

Elie Wiesel is an internationally known author, human rights advocate, and lecturer. *Night*, his first book (1956 in Yiddish, 1958 in French, 1960 in English; a new English translation appeared in 2006), has become a classic memoir of a Jewish survivor of the Holocaust. The seventeen essays of this volume in the MLA series *Approaches to Teaching World Literature* examine the historical, cultu-

ral, and literary contexts of Wiesel's book as well as strategies for teaching it in the classroom. Part 1, "Materials," provides resources on the Jewish ghettos and concentration camps of World War II, on the Jewish faith and religious practices, on the genre of victims' diaries, on the critical reception of *Night*, on Wiesel's other work, and on available audiovisual materials. Part 2, "Approaches," addresses many subjects—among them, Wiesel's narrative techniques, the representation of Auschwitz, the use of different languages, the comparison of Wiesel with Primo Levi, the problems of memory and bearing witness, the Christian response to the Holocaust, and the challenge of teaching a grim and painful text to students.

Ellen Fine's book is full of original insights, beautifully written and structured. I could not put it down. It is a very important study." -- Rosette Lamont, Queens College and Graduate School, City University of New York "By treating Wiesel's novels as literary-spiritual stages in the development of Wiesel's larger experience, as a survivor-witness-writer, Dr. Fine's book takes on an inherently dramatic

character which makes it alive and exciting as well as instructive." -- Terrence Des Pres, Colgate University "Fine clarifies Wiesel's intentions, especially illuminating the complex variations on the themes of speech and silence, fathers and sons, escape and return--in short, the ideas around which Wiesel organizes his literary universe. No one has done this before so thoroughly." -- Lawrence Langer, Simmons College

Lines may divide us, but hope will unite us. Nine year old Bruno knows nothing of the Final Solution and the Holocaust. He's oblivious to the appalling cruelties being inflicted on the people of Europe by his country. All he knows is that he has moved from Berlin to a desolate area where he has no one to play with. Until he meets Shmuel. Shmuel lives in a strange parallel existence on the other

side of the adjoining wire fence, where everyone wears a uniform of striped pyjamas. Despite the wire fence separating them, the two boys become best friends. As they grow closer, Bruno starts to learn the terrible truth that lies beyond the fence, and what life is like for his friend. John Boyne's classic novel explores the friendship and loss of innocence of Bruno and Shmuel, during one of the worst points in history.
