Millionaire maker Dan S. Kennedy and pricing/marketing strategist Jason Marrs empower small business owners to take control of their profits by taking charge of the source: their price. Entrepreneurs are dared to re-examine their every belief about pricing and take a more creative, bold approach, using price to their extreme advantage and allowing them to be as profitable as possible. Liberating small business owners from all fear and timidity toward pricing, Kennedy and Marrs teach small business owners uncover how to avoid the 9 ultimate price and fee failures including excess concern about competitors' lower prices, attracting customers who buy by price, and not offering premium pricing options. They also reveal how to discount without damage, the secret to price elasticity, how to break free from the price-product link, and, most importantly, how to set prices for the greatest profits. • Kennedy and Marrs disclose little-known revelations about the power of pricing including: • the 9 ultimate price and fee failures • the trick behind discounting without devaluing • the 5 price-related propositions to be concerned with • the million-dollar secret behind "FREE" • how to win price wars with competitors • Includes access to price strategy support tools at www.simplepricingsystem.com • Covers pricing strategies specific to recessions

Don't Count Time, Make Time Count! Tick ... tick ... tick ... can't find enough time? Find out how to use it far more wisely by the man who successfully run multiple business ventures simultaneously. Dan Kennedy has been called the "Professor of Harsh Reality" because he doesn't deal in glib, pabulum solutions and eye-rolling cliches you've heard incessantly on time management. He takes on the world of cell phones, PDAs, faxes, e-mails, and every other communication device that pervade our lives, suggesting when to tap it, and when to give it the heave-ho. This entrepreneur/consultant/author/speaker has a whirlwind business life, yet manages to fit everything in using a handful of home-brewed time management tools he swears by. He shows how to maximize your time with a fresh take on the mantra that "time is money." It's all about using disciplined productivity strategies Kennedy has devised over 30 years of managing highly-profitable businesses with only minimal help. Who is Dan Kennedy? His business adventures have included ownership of six businesses. He appeared for nine consecutive years on THE #1 seminar tour in America sharing the platform with former U.S. President Reagan, Ford, and Bush, General Colin Powell, and business leaders such as Debbi Fields and Jim McCann. He was been in trenches and survived.

DR. JOHN BRINKLEY was, at one time, the wealthiest doctor of his time, undeniably the most Barnum-esque promoter in medicine in his time, vilified and prosecuted as a quack, praised as saint by the amazing number of men who flocked to him for his 'fountain of youth'---and by their wives. This book delves deeply into his TWENTY-ONE MARKETING PRINCIPLES, to provide a blueprint for adventurous advertising, marketing, promotion and personal promotion that can install a 'fountain of profits' in just about any business! IF YOU'D LIKE TO---AND WOULD PROFIT FROM---making yourself or your business famous and magnetically attractive, locally or globally, this in-depth analysis of The Lost Secrets behind this amazing success story are for you! IN THIS BOOK---DISCOVER...Dynamic pathways to Maximum AUTHORITY---so that you are sought out and your 'prescriptions' accepted without question; two kinds of CLARITY essential for marketing success---missing from most businesses; THE question to ask yourself, that, when answ-

ered, dramatically multiplies the power of advertising and elevates you above all competition; the 3-Step Brinkley Blueprint for savvy use of media---the trap most businesspeople fall victim to; a most radical, revolutionary change to your entire approach to selling---why the sale delayed can be the sale more easily made; the Brinkley Prescription for virtually unlimited PRICE ELASTICITY & the all-time, best-ever answer to any and every price objection; and the Brinkley Secret to BEING ADMIREDD---as means of attracting customers especially eager to do business with you. INCLUDED: TRANSCRIPT of a Brinkley Radio Broadcast ...ARCHIVE EXAMPLES of actual Dr. Brinkley sales literature and sales copy from his advertising. Business authors Jack and Suzy Welch return, nearly a decade after publishing their international bestseller, Winning, to tackle the most pressing business challenges in the modern world. From creating winning strategies to leading and managing others The Real Life MBA acts as an essential guide for every person in business today - and tomorrow.

It is likely that as you go through this book you will read things that are contradictory to what are our industry norms. We make no apologies for this. Our business, Gardner's Mattress & More, is the anti-mattress store. We are marketers of our business that happen to deliver mattresses. Our average ticket is 4x the national average, and we have a mechanism in our store that ensures us a 100% closing ratio. We have been featured in SUCCESS Magazine, Fox New Business, Sleep Savvy, and countless other publications. We are changing the way mattresses are sold. We are against selling on brand, price, and warranties. Everything most everyone else does, we run away from. In a nutshell, most observers in our industry would say we are crazy, but those outside the industry are impressed with all we do to drive our business forward. This book is an easy read and an actionable guide to help you get in the right mindset that it's not mattresses you sell, rather a good night's sleep. And for most, a good night's sleep is priceless. Yet, as an industry we promote buy it today gone tomorrow \$399 queen sets in EVERY single ad. Counterproductive to say the least, at least for us. If you are tired of competing on price, tired of being stacked up against your competition, just plain tired of playing the games, read on. All that is required in reading this book is an open mind that things can be different and your world does not revolve around price only. It is our sincerest hope that you are able to take action on each of these chapters. But frankly, if you take action on just a few you will be more than happy with the results. As we have learned, an idea without implementation has no value. So read the book, dog ear some pages of items you like, and then pick one. Implement it. Come back and do another one. You will find that getting things done yields great reward and soon enough you will have worked through the entire book.

WINNER OF BUSINESS BOOK OF THE YEAR AWARD 2020: LEADERSHIP FOR THE FUTURE A Financial Times Business Book of the Month 'A brilliant set of leadership tools that will help you succeed whatever your goal' - Sir Clive Woodward 'A punchy, plainly written guide, offering a readable and enlightened view of what leaders do and how they should do it' - Financial Times 'A new rubric on leadership' - Evening Standard Inspiration behind the No Bullsh*t Leadership Intelligence Squared podcast Leadership is not some special club, open only to elites. It's not a gold star given only to those with expensive degrees. Leadership is for everyone. Based on the author's hard-won experience as a Global CEO, this smart, fun book delivers a step-by-step working manual on how to lead - for anyone. Full of simple and direct approaches, it demystifies an over-analysed subject to get to the heart of modern leadership: the life-changing, career-transforming power to get stuff done. These principles and actionable steps apply to every field, from small businesses to community initiatives, from schools to sports teams to global enterprises. No matter your goal, this book will show you how to: - make effective decisions - build a world-class team - take care of yourself and others - achieve results

"Trust No One" is the new mantra. Seniors, affluent individuals, business leaders and investors have seen virtually every institution and corporate leader and even the premise of 'homeland security' and government response to emergency prove themselves spectacularly untrustworthy, and are given sensationalized reasons daily by every media to distrust banks, insurers and others on Wall Street, so it is perfectly understandable that they are NOT prepared to trust you, NOT one word you say, NOT any promise you make, NOT any organization or product you represent. The dirty little secret of widespread bank insolvency and thin trading volume is that over a trillion dollars of private "mom 'n pop" capital has been withdrawn from commercial investment and is now mattress-savings...literally, flooding into gold, with the affluent-art and classic cars, with seniors-cash and U.S. Treasuries; and otherwise, parked in places thought safest, without regard to yield. To some extent, this has benefited the annuity and insurance industry. However, any professional advisor or agent seeking to establish new relationships and secure new clients in this environment finds himself severely handicapped, with his chief obstacle - fully understood or not - exceptionally high, exceptionally firm and stubborn distrust. This is reflected in shrinking seminar attendance and rising costs of buying such attendance, declining response to advertising, longer sales cycles, even heightened reluctance by clients to refer, as well as lower initial transactions. THERE ARE EFFECTIVE RESPONSES and strategies, but they are not the same ones that worked nicely, pre-2008. And even before tackling the subject of more appropriate and effective strategies for this time, a new understanding of where the prospective client is at, psychologically and emotionally when you first 'arrive' is essential-and that is where this timely, groundbreaking and frank book, TRUST, begins.

MAGNETIC MARKETING(R) is a radical, dramatically different sea-change in the way new customers, clients, patients or prospects are attracted and in the way products, services, businesses and practices are advertised. It is a "change movement" that has established itself in over 136 different niches, business categories, industries and professions, but is still also a "best kept secret"--its practitioners are in a "secret society." It--and only it--offers real protection from commoditization, Amazon-ization, price and profit destruction. It is soundly based on well-proven strategies dating from the turn of the century to the present. No academic theories, no vague "ideas", no fads. No BS! The makings of a system for your business's sustainability and growth you can rely on. It is introduced to you in this important and timely book. You have made a wise decision obtaining it. Bolt the door, put away the device and dig in! magneticmarketing.com

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe--The Secret--and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life--money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers--men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

Dan S. Kennedy dares marketers to dramatically simplify their marketing, refocusing on what works. A #1 NEW YORK TIMES BESTSELLER One of the most salient features of our culture is that there is so much bullshit. Everyone knows this. Each of us contributes his share. But we tend to take the situation for granted. Most people are rather confident of their ability to recognize bullshit and to avoid being taken in by it. So the phenomenon has not aroused much deliberate concern. We have no clear understanding of what bullshit is, why there is so much of it, or what functions it serves. And we lack a conscientiously developed appreciation of what it means to us. In other words, as Harry Frankfurt writes, "we have no theory." Frankfurt, one of the world's most influential moral philosophers, attempts to build such a theory here. With his characteristic combination of philosophical acuity, psychological insight, and wry humor, Frankfurt proceeds by exploring how bullshit and the related concept of humbug are distinct from lying. He argues that bullshitters misrepresent themselves to their audience not as liars do, that is, by deliberately making false claims about what is true. In fact, bullshit need not be untrue at all. Rather, bullshitters seek to convey a certain impression of themselves without being concerned about whether anything at all is true. They quietly change the rules governing their end of the conversation so that claims about truth and falsity are irrelevant. Frankfurt concludes that although bullshit can take many innocent forms, excessive indulgence in it can eventually undermine the practitioner's capacity to tell the truth in a way that lying does not. Liars at least acknowledge that it matters what is true. By virtue of this, Frankfurt writes, bullshit is a greater enemy of the truth than lies are.

The old economy is shattered, and GONE FOREVER. It's never coming back as it was, and in its place a generally tougher, more demanding marketplace is emerging. HOWEVER, when it comes to wealth, one instrumental reality is unchanged: No matter the economic conditions—booms or recessions, including the fast-emerging New Economy—there is wealth. And who better to show you how to lure, bait, attract, and become a magnet for it

than "Millionaire Maker" Dan S. Kennedy? Kennedy covers: • How to experience The Phenomenon --- attract more wealth in the next 12 months than in the previous 12 years! • Wealth Inhibition—do you suffer from it? • Why Positive Thinking alone is worthless • Your #1 Entrepreneurial Responsibility • Is there a 'dirty little secret' behind many wealthy entrepreneurs? • The worst of all wealth-defeating habits • Are you an 'opportunity thinker' --- or are you guilty of 'outcome thinking'? • " Do what you love and the money will follow" B.S. that's hazardous to your wealth • How to Stop playing Blind Archery • 12 Ways To Increase Your 'Personal Value' • Why you must STOP thinking about Income! • The 90 Day Experiment that may change your life forever

To avoid grabbing every business owner he meets by the shoulders and shaking them, millionaire maker Dan S. Kennedy has joined with marketing strategist Kim Walsh-Phillips to help business owners, private practice professionals, and professional marketers start making dollars and cents of their social media marketing. Daring readers to stop accepting non-monetizable "likes" and "shares" for their investment of time, money, and energy, Kennedy and Walsh-Phillips urge readers to see their social platforms for what they are—another channel to reach customers and gain leads and sales for their efforts. Illustrated by case studies and examples, this No B.S. guide delivers practical strategies for applying the same direct-response marketing rules Kennedy has himself found effective in all other mediums. Covers: •How to stop being a wimp and make the switch from a passive content presence into an active conversion tool •How to become a lead magnet by setting up social media profiles that focus on the needs of ideal prospects (not the product or service) •Creating raving fans that create introductions to their networks •How to move cold social media traffic into customers •The role of paid media and how to leverage social media advertising to drive sales

Marketing starts with putting together the best, most promotable message possible that truthfully represents the 'goods' you have, and that message has to highlight a 'USP'- a unique selling proposition. The Ultimate Marketing Plan will equip readers with the tools they need to find their own USP for all their products, services, or businesses and teach them which delivery methods are the best for their situation. The Ultimate Marketing Plan has been updated to include new marketing techniques, including voice mail services, the internet, e-mail and broadcast faxing. Through success stories, examples and hands-on 'Think Sheets' readers will learn how to: * Research the competition * Build customer interest * Create their own publicity department with little or no budget * And more!

A provocative look at social media that dispels the hype and tells you all you need to know about using the Web to expand your business If you listen to the pundits, Internet gurus, marketing consultants, and even the mainstream media, you could think social media was the second coming. When it comes to business, they declare that it's revolutionizing advertising, PR, customer relations—everything. And they all agree: it is here to stay. In this lively, insightful guide, journalist and social critic B.J. Mendelson skillfully debunks the myths of social media. He illustrates how the notion of "social media" first came to prominence, why it has become such a powerful presence in the marketing field, and who stands to benefit each time it's touted in the press. He shows you why all the Facebook friends and Twitter followers in the world mean nothing to you and your business without old-fashioned, real-world connections. He examines popular tales of social media "success," and reveals some unsettling truths behind the surface. And he tells you how to best harness the potential of the Internet—without spending a fortune in the process. Social media is bullshit. This book gives the knowledge and tools you really need to connect with customers and grow your brand.

This book gives you the keys to create a business from scratch. Would you like to join the special few who don't work for money? The special few who have products and businesses funding their lifestyle? There is a big difference between you and them. The brain they have, and the brain you don't. FACT: NOTHING IS COSTLIER OR MORE DIFFICULT THAN GETTING A NEW CUSTOMER. Business owners agree. The referred customer is far superior to the one brought in by 'cold' advertising. Yet most business owners will invest more money to find new customers than getting referrals from current, happy customers. Millionaire maker Dan S. Kennedy and customer retention expert Shaun Buck dare you to stop chasing new customers and keep an iron cage around the ones you already have. Kennedy and Buck present a systematic approach to help you keep, cultivate, and multiply customers so that your entire business grows more valuable and sustainable, and you replace income uncertainty with reliable income through retention and referrals. Learn how to: • Apply the #1 best retention strategy (hint: it's exclusive) • Catch customers before they leave you • Grow each customer's value (and have more power in the marketplace) • Implement the three-step customer retention formula • Use other people's events to get more referrals • Create your own Customer Multiplier System • Calculate the math and cost behind customer retention Discover the referral-getting, sales-increasing,

battle-tested tactics designed to help you build a thriving business for the long-term.

Millionaire maker Dan S. Kennedy and local-level marketing specialist Jeff Slutsky empower small business owners to take on big box companies and distant discounters using their best asset—their ability to bond directly with their consumers. Small business entrepreneurs are armed to go "grassroots" given winning strategies to take their marketing to the street level resulting in higher customer retention, greater referrals, and a thriving business for the long-term. About the Book Kennedy and Slutsky dare small business owners to break free of the ingrained tendencies to "advertise when you need more customers" and to copycat what they see big, national companies doing. Local business owners are urged to add some politicking to their business presence, focusing their marketing on directly connecting with their customers, integrating them into their community and even, their daily activities. Kennedy and Slutsky deliver creative, high impact alternatives and supplements to disappointing traditional advertising and new media including strategies for gaining free advertising from local news media, creating events that multiply customers, and effectively using direct mail. Small business owners also uncover surefire tactics that capitalize on their neighborhoods, the four walls of their business, and the internet, reaching their local customers and creating a sense of a personal relationship. Throughout their lesson in going grassroots, Kennedy and Slutsky also reveal the nine inconvenient truths of grassroots marketing, keeping small business owners on track and on their way local business stardom. Features • Presents a marketing approach specifically engineered for small (local) businesses • Reveals 9 No B.S. inconvenient truths and how to implement them • Illustrates concepts with examples from practicing business owners • From Dan Kennedy, author of the popular No B.S. books including No B.S. series, which shipped more than 250,000 copies • Identifies what's wrong with traditional and new media advertising • Offers methodology to break free from ingrained tendencies and copycat marketing

Distilling the wisdom of the world's greatest advertisers, direct marketing expert Craig Simpson delivers an education on direct marketing and advertising copy that creates brand awareness, sells products, and keeps customers engaged. Walks readers through time-tested methods of creating effective ad copy that increases profits. Dissects the principles of legendary marketers like Robert Collier, Claude Hopkins, John Caples, and David Ogilvy.
