I was so discouraged when I did not pass the first time and was looking desperately for a study aid when a friend recommended your website. MedicTests.com gave me all the tools and confidence I needed to PASS the second time. I would highly recommend this site! I can not thank you enough!!!" - A. Williams NREMT-P

Thanks for taking the time to read this. I wish you the best of luck on the exam. Sincerely, Evan Setyawan, NREMT, CA EMSA EMT. p.s. Just think! You'll never again have to worry about what to study, how to study, or what to do next!

The NREMT does not draw from the same test bank as study guides. It is recommended that a student looks for an online testing company that has a huge bank of questions. This will allow the best possible chances of getting questions that are close to the registry style of questions. For test simulation software I recommend Exam Edge.

The EMT test is not a test on a particular book or curriculum, but covers all current knowledge in emergency medical care. It's really hard to predict what questions will be on your particular test, but our free study guides for the EMT test provide outlines of the most important material to study. You can use them to frame your preparation efforts.
