My First Clinical Experience | Emory Nursing Now

Reflection Paper On Nursing Practice - Reflection Paper Having the chance to experience clinical rotations on the telemetry, medical surgical, labor and delivery and postpartum floors so far have been incredible.

My experience in my senior year clinical preceptorship was without a doubt unique but I feel its uniqueness was in what I made of it, something every nursing student can do for themselves. If there is one lesson to gain from reading about my experiences it should be that the success of a clinical, whether a preceptorship or group experience, is entirely what the student makes of it.
