I Slipped And Fell In Love Chords - Alan Jackson - Cowboy ...

In "2002," Anne-Marie reminisces about falling in love as an 11-year-old and all the songs that soundtracked that romance. She had some help from Ed Sheeran to write this track.

I feel like a 8.5 for this show is pretty acceptable. Like it wasn't over the top but it wasn't crap. Lol. It starts off with a girl that has a traumatic pass that goes through something mentally and it sucks because

she doesn't know what she needs to do or how to help it in any way.
