Celebrating 30 years of the beloved classic Owl Moon from renowned children's book author Jane Yolen and Caldecott Medal-winning illustrator John Schoenherr! Late one winter night a little girl and her father go owling. The trees stand still as statues and the world is silent as a dream. Who-who-who, the father calls to the mysterious nighttime bird. But there is no answer. Wordlessly the two companions walk along, for when you go owling you don't need words. You don't need anything but hope. Sometimes there isn't an owl, but sometimes there is. Distinguished author Jane Yolen has created a gentle, poetic story that lovingly depicts the special companionship of a young child and her father as well as humankind's close relationship to the natural world. Wonderfully complemented by John Schoenherr's soft, exquisite watercolor illustrations, this is a verbal and visual treasure, perfect for reading aloud and sharing at bedtime.

Lorcan Dillon was seven years old when his mother, Jayne, first heard him say 'I love you.' The words were not directed at her, but at Jessi-cat, the family pet. Lorcan suffers from autism and selective mutism, a condition that renders him unable to speak in certain situations, unable to express emotions or enjoy hugs and he has never told anyone he loves them. This all began to change with the arrival of a kitten named Jessi-cat. Jessi-cat is the stirring tale of how the affection and attention of a constant loving companion allowed a little boy to start to connect to the world around him. Lorcan spends hours playing with her, cuddling her and telling her how much he loves her. He has also begun opening up to others, making friends at school and is constantly making progress. Jessi-cat proved so inspiring that she was named Best Friend and National Cat of the Year 2012 by the Cats Protection Awards. This book charts the story of this great friendship and how the love between a young boy and his pet has changed his life forever.

Many smaller scale projects are included, too—such as how to make ochre paint with shale, make a fishing pole, and carve a marshmallow roasting stick. In addition to structures, there are other ideas and projects for camping and the backyard, like a fire ring (explaining the types of fires, airflow, and safety), the always useful tripod, a travois, a rock garden, and toy boats. Along the way, there are multi-leveled reading opportunities in the form of quick features on considerations like mindfulness, campfire safety, mini STEAM design challenges, and more. *Sticks and Stones* is an essential resource for every junior outdoor adventurer.
