The powerful memory of a former love rules Radhika's inner world as she builds a small-time practice in Law, and attempts normalcy in a marriage she neither wanted nor resisted. Raped at age ten, raped again as a young collegiate, she is abandoned twice: first by her father and later by Christy who loved her, but takes her through a wedding ceremony only to leave her later the same day. When Christy returns sixteen years later, shattered and unstable, the burnt and withered roots of love bloom again. Trauma, betrayal, and loneliness are the colours that paint this picture of physical and emotional violence that Radhika endures.

Few lives have been more eventful and controversial than Protima Bedi's, and *Timepass*, derived from her unfinished autobiography, journals and her letters to family, friends and lovers, is a startlingly frank and passionate memoir. Protima recounts with unflinching honesty the events that shaped her life: her humiliation as a child at being branded the ugly duckling, repeated rape by a cousin when she was barely ten, the failure of her 'open' marriage with Kabir Bedi, her many sexual encounters, and the romantic relationships she had with prominent politicians and artistes. She writes, too, of her intense involvement with dance, her relationship with her guru and fellow dancers, the difficult mission of establishing *Nrityagram*, and the suicide of her son—a tragedy from which she never fully recovered. In a moving epilogue to the book, her daughter, Pooja Bedi, describes her last days and the circumstances of her death. Illustrated with over fifty photographs, *Timepass* is the story of a remarkable woman who had the spirit, the courage and the intelligence to live life entirely on her own terms. I have broken every single rule that our society has so carefully constructed. doing and never given a damn. I have flaunted my youth, my sex, my intelligence, and I have done it shamelessly. I have loved many, been loved by some...

A restlessness born of guilt and despair leads Ravi to embark on a journey that ends in the remote village of Khasak in the picturesque Palghat countryside in Kerala. A land from the past, potent with dreams and legends, enfolds the traveller in a powerful and unsettling embrace. Ravi is bewitched and entranced as everything around him—the villagers; their children whom he teaches in a makeshift school; the elders who see him as a threat; the toddy-tappers; the shamans—takes on the quality of myth. And then reality, painful and threatening, begins to intrude on the sojourner's resting place and Ravi begins to understand that there is no escape from the relentless dictates of kar-

ma... Often poetic and dark, always complex and rich, *The Legends of Khasak*, O.V. Vijayan's much-acclaimed first novel, translated into English by the author, is an extraordinary achievement

"...There will be signs in the sun, in the moon, and in the stars...Now when these things begin to happen, look up and lift up your heads, because your redemption draws near." Luke 21:25a, 28 It is rare that Scripture, science, and history align with each other, yet the last three series of *Four Blood Moons* have done exactly that. Are these the "signs" that God refers to in His Word? If they are, what do they mean? What is their prophetic significance?

Presents a collection of short stories by the Russian author, including "White Nights," "The Peasant Marey," and "A Gentle Creature."

This is a compelling biography of one of India's most controversial and consequential public figures. V.K. Krishna Menon continues to command our attention not just because he was Jawaharlal Nehru's confidant and soulmate but also for many of his own political and literary accomplishments. A relentless crusader for Indian independence in the UK in the 1930s and 1940s, he was a global star at the United Nations in the 1950s before he was forced to resign as defence minister in the wake of the India-China war of 1962. Meticulously researched and based entirely on new archival material, this book reveals Krishna Menon in all his capabilities and contradictions. It is also a rich history of the tumultuous times in which he lived and which he did so much to shape.

Manu Dhawan is an erstwhile private equity professional, banker, content producer, serial start-up entrepreneur and a recent out-of-the-closet writer.

This volume explores how disability is seen, written about, read and understood through literature and translation. Foregrounding the asymmetrical world of power relations, it delves into the act of translation to exhibit how disability is constructed and deployed in language and culture. The essays in the volume reflect and theorise on experiences of translating various Indian-language stories (into English) which have disability as their subject. They focus on recovering and empowering marginal voices, as well as on the mechanics of translating idioms of disability. Furthermore, the book goes on to engage the reader to demonstrate how disability, and the space it occupies in our lives, can be reinforced or deconstructed in translation. A major intervention in translation and disability studies, this volume will be of great interest to scholars and researchers of literature, culture, and sociology.

A chilling crime thriller set in colonial America by the New York Times–bestselling author: "The Corbett novels are rich, atmospheric stories" —Booklist on *The River of Souls* In 1702, Matthew Corbett is an apprentice problem solver for the Herral Agency, currently tasked with accompanying serial killer Tyranthus Slaughter on a journey from a Philadelphia asylum to the New York City waterfront. But during the trip, Mr. Slaughter tempts Matthew and his colleague Hudson Greathouse with an un-

expected offer—leading to catastrophic outcomes. This darkly compelling novel delves into both the mind of a murderer and the process of a city and a nation moving into the future. Praise for the Matthew Corbett Novels "Rousing . . . [A] page-turner." —Publishers Weekly, starred review, on *Freedom of the Mask* "This popular series takes us to a long forgotten time with characters who never fail to entertain." —The Florida Times-Union "Excellent . . . full of tension and suspense." —Stephen King on *Speaks the Nightbird*

On 6 December 1959, Prime Minister Jawaharlal Nehru went to Dhanbad district in Jharkhand to inaugurate the Panchet Dam across the Damodar river. A fifteen-year-old girl, Budhini, chosen by the Damodar Valley Corporation welcomed him with a garland and placed a tikka on his forehead. When these ceremonial gestures were interpreted as an act of matrimony, the fifteen-year-old was ostracized by her village and let go from her job as a construction worker, citing violation of Santal traditions. Budhini was outlawed for 'marrying outside her community'. Budhini Mejhani's is the tale of an uprooted life, told here through the contemporary lens of Rupri Murmu, a young journalist distantly related to her and determined to excavate her story. In this reimagined history, Sarah Joseph evokes Budhini with vigour, authority and panache, conjuring up a robust and endearing feminine character and reminding us of the lives and stories that should never be forgotten. Translated by her daughter, Sangeetha Sreenivasan, a fiercely individualistic novelist herself, Sarah Joseph's Budhini powerfully invokes the wider bio-politics of our relentless modernization and the dangers of being indifferent to ecological realities.

Ann Marie reads fragments of her dead husband's unfinished book, and the many love letters he sent her, and in them the social and political events of the time. As she ponders over the writing and the years that the brilliant Jithendran squandered working for a toy company that makes drum-playing monkeys, the narrative gives way to the sweeping saga of a village by the river Periyar. Grappling with issues of equality, love, caste, religion and politics, Thachanakkara is a microcosm of twentieth-century Kerala. Told through the history of three generations of a feudal Nair family, this sprawling story is reminiscent of the craft of Gabriel Garcia Marquez's *One Hundred Years of Solitude* and has the scale of Sunil Gangopadhyay's *Those Days*. Manushyanu Oru Amukham is an artistic meditation on human existence and is a contemporary classic.

The only novel of one of Kerala's leading women writers, Lalithambika Antharjanam's *Agnisakshi* is a telling account of a woman's life glowing as though purified in the "fire of sacrifice". Set against the history of Kerala, and life, customs, habits, and culture of the Namboodiri community, along with the fervent cries of the Indian National Freedom struggle, the characters act out their unforgettable roles: Tethi, the dazzling but disappointed bride who renounces worldly life; Unni Namboodiri, whose adherence to the Vedic way of life destroys his personal happiness; and Thankam, Unni's Nair cousin and the mighty Aphan Namboodiri's daughter, seeking her own liberation from the past. True to the lyrical and emotional tone of the original, Vasanthi Sankaranarayanan's translation offers a moving portrait of upper-class, upper-caste Kerala society just before and after Independence.

Exploring a karmic network in 25,320 kilometres After twenty years in the Indian Administrative Service, P.G. Tenzing throws off the staid life of a bureaucrat to roar across India on an Enfield Thunderbird, travelling light with his possessions strapped on the back of his bike. On the nine-month motor-

cycle journey without a pre-planned route or direction, he encounters acquaintances who appear to be from his karmic past: from the roadside barber to numerous waiters and mechanics-- fleeting human interactions and connections that seem pre-ordained. Life on the road is full of pot holes in more ways than one, but Tenzing acquires a wheelie's sixth sense. He is unfazed by suspicious hotel receptionists or other unkarmic sceptics who take one look at his dishevelled, unkempt appearance and ask for an advance, or a deposit or both. Tenzing's views on life and death, friendship and love are informed by a certain dark humour. But his conviction that everything revolves around the sacred bond that humans share with each other and with the universe is deeply felt and inspiring. Sometime singer with a Gangtok band, a dabbler in vipassana meditation and a supporter of a monk's school at Mangan, Sikkim, P.G. Tenzing is self-confessedly at a mid-life crisis point and ready for all the adventures this world has to offer.

"Lauren Grodstein breaks your heart, then miraculously pieces it back together so it's bigger—and stronger—than before." —Celeste Ng, author of *Everything I Never Told You* How can a woman learn to let go of the people she loves the most? Karen Neulander, a successful New York political consultant and single mother, has always been fiercely protective of her son, Jacob, now six. She's had to be: when Jacob's father, Dave, found out Karen was pregnant and made it clear that fatherhood wasn't in his plans, Karen walked out of the relationship, never telling Dave her intention was to raise their child alone. But now Jake is asking to meet his dad, and with good reason: Karen is dying. When she finally calls her ex, she's shocked to find Dave ecstatic about the son he never knew he had. First, he can't meet Jake fast enough, and then he can't seem to leave him alone. Karen quickly grows anxious as she watches Dave insinuate himself into Jake's life just as her own strength and hold on Jake grow more tenuous. As she struggles to play out her last days in the "right" way for Jake, Karen wrestles with the knowledge that the only thing she cannot bring herself to do for her son—let his father become a permanent part of his life—is the thing he needs from her the most. With heart-wrenching poignancy, unexpected wit, and mordant humor, Lauren Grodstein has created an unforgettable story about parenthood, sacrifice, and life itself.

Collections of President Abdul Kalam's speeches and addresses on diverse topics.

It starts in the desert. John the prophet lowers Jesus under the Jordan's muddy waters and pulls him up, just as a bird swoops down to skim the river's surface.It spreads next to Galilee, where some welcome Jesus as a disciple of John and others grow wary of his rising influence-fishermen are leaving their nets, tax collectors their offices, and students their masters to listen to this new saint. After abandoning his nets, Andrew ties knots in the threads of his shirt to remember Jesus' teachings. After escaping his slum, Judas waits for Jesus to call down the legions of angels who can end a broken world.But just as Jesus' movement in the north is gaining strength, he turns south toward the Temple and a fate his followers will struggle to understand. The Five Books of Jesus, James Goldberg's lyrical novelization of Jesus' ministry, tells the story of the gospels as Jesus' followers might have experienced it: without knowing what would happen next or how to make sense of events as they unfold.

Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. Goat Days was published to acclaim in Malayalam and became a bestseller. One of the brilliant new talents of Malayalam literature, Benyamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.
