I'm running into the darnedest thing on a drawing - I've added a revision in a standard SolidWorks revision table, and it won't allow me to add a corresponding symbol. When I right click on the row in the table and get the drop-down, the "Revision" fly-out only has the selection to add another revision, rather than add a revision symbol as well.

#### Can't add a revision symbol | SOLIDWORKS Forums

Our Paper Review Service is another beneficial way to enhance your revision skills. In addition to the revision strategies listed above, we also encourage you to set up a paper review appointment with our writing instructors to receive individualized feedback on your project.

#### Revising - Writing a Paper - Academic Guides at Walden ...

Revision doesn't necessarily mean rewriting the whole paper. Sometimes it means revising the thesis to match what you've dis-

covered while writing. Sometimes it means coming up with stronger arguments to defend your position, or coming up with more vivid examples to illustrate your points.
