The contents of the Volkswagen Passat repair manual are prepared by professionals, but even a novice driver will be able to master new information if desired, in order to then successfully practice, for example, on their own to do the work within the framework of a vehicle maintenance service. Without exception, all reference topics, especially instructions for applied works, are accompanied ...

Hey guys, I have a B6 18TQMS. I had a very rough idle, thought it was the PCV valve, but I

swapped it with a new one and the problem persisted. While I was standing over the hood talking with a friend, I went to open the oil cap and realized I couldn't get it off while the engine was running. I'm not talking about a slightly high vacuum here, if you put your hand over my oil cap it will ...
